And Much More! Everything is Ready for Summer!

Manufacturer Provided Description

Twin fuel tanks give the 2900 CC the range to hit the Bahamas, the outer banks of North Carolina and far deeper than the competition. And because you can get there and back faster, time allows for hauling in and making it back before weigh-in. If you're looking for a serious center console with the fishability to match performance, you are looking at the 2900CC: an option that is as tough to ignore as it is made.
