Manufacturer Provided Description

Well-balanced forms, concentrated power, quality and security...

An elegant and distinguished design by Garroni lends the PRESTIGE 550 an even longer line and a stronger identity. With its contemporary interior, this flybridge is innovative in its cabin design, as well as design details for comfort and luxury... and it affords an exceptional panoramic view.

The exceptional savoir-faire of PRESTIGE is also to marry artisanal luxury with high technology to offer the most innovative equipment and furnishings in terms of engine technology (transmission by Zeus pods), fuel consumption and safety at sea.
