Year: 2008

Engine 2

Cummins
QSC 8.3
Inboard
490HP
Fuel: Diesel
Hours: 870
Year: 2008

Summary/Description

Extremely well outfitted and maintained 38 Open. Powered by recently serviced 490 hp Cummins QSC8.3's that provide a mid 20 kt cruise.

Extremely well outfitted and maintained 38 Open. Powered by recently serviced 490 hp Cummins QSC8.3's that provide a mid 20 kt cruise. The helm is lined with new Garmin electronics, stereo system, underwater lights, helm air, amongst many other features. This is easily the nicest 38 on the market.

A huge U-Shaped settee to starboard, opposite the galley, dominates her elegant single-stateroom interior. There's a separate stall shower in the head, and the beautiful teak-and-holly cabin sole gives the interior of the 3800 a traditional feel found in few other boats. The entire helm deck lifts mechanically for easy access to the large engine room. Additional features include a hideaway TV in the salon, a cockpit wet bar, transom door and shower, NEW swim platform, side exhausts and wide side decks. Pop pockets reduce the shaft angles and draft. Cummins 490 hp diesels cruise the Tiara 3800 at 25-26 knots (about 30 knots top).

Turn Key & Ready To Go!

Accommodations

- Forward island berth
- Ample storage throughout
- "L" shaped galley along aft/starboard
- Ultra leather cushions with fabrics

Manufacturer Provided Description

The 3800's striking looks conceal rugged construction. Tough beauty, you could say. Here is a boat that can take whatever Mother Nature can dish out, yet retain its composure. Personal comfort abounds, above and below. Power and performance are there, whether just for a day cruise when conditions are perfect, or to make it home safely when the weather takes a nasty turn.
