Fuel: Gas/Petrol

Year: 2014

Location: Middle

Engine 3

Yamaha

F300

Outboard 4 Stroke

300HP

Fuel: Gas/Petrol

Year: 2014

Location: Starboard

Summary/Description

A completely fly-by-wire system controls the triple Yamaha F300 outboards, making them incredibly responsive.

A completely fly-by-wire system controls the triple Yamaha F300 outboards, making them incredibly responsive. In addition to Yamaha's CommandLink electronic throttle and shift, Scout incorporated the Optimus steering system as standard on the 350 LXF. Optimus provides adjustable steering response according to speed. Interestingly, you never consciously notice the change. The system also provides more accurate control of the (3) 12-inch display Garmin navigation system and autopilot.

Standard Equipment

- Dual Swim Platforms w/ Center Walk Thru
- Hydraulic Steering w/ Power Assist
- Armstrong Dive Swim Ladder
- Transom Door
