Summary/Description

Gorgeous world-class yacht with outside & interior spaces designed for entertainment, relaxation & comfort, with 4 luxurious ensuite staterooms, lounge & dining areas. Flybridge & lower helm. Engineered for seaworthy, efficient performance and safety. Seakeeper gyro stabilized & much more. MUST SEE!

2014 Monte Carlo Yachts MCY 76

This stunning 76' Monte Carlo MCY is in immaculate condition and features the popular, efficient twin MAN V8 1200 HP engines that power her to reach top speeds of up to 31 knots.

The spacious flybridge offers ample space for entertainment and the most prominent innovation is the use of the bow space. An area of the yacht usually limited due to lack of comfortable seating or easy access, MCY has turned this space into an inviting lounge area with plenty of seating around semi-circular tables, that is easily and safely accessed via a central walkway from the Portuguese bridge that surrounds the front of the lower helm deckhouse, an innovative feature on a yacht this size. An aft deck settee and table shaded by the flybridge overhang offers another outdoor dining and entertaining area and opens to the superbly arranged main deck salon, galley and dinette designed for living and entertaining in refined comfort. High-end materials, decor, furnishings, and appliances reflect world-class Italian design and craftsmanship.

"MANILA" sleeps up to 8 guests in 4 staterooms, each with ensuite facilities and a full beam midships master that features a kingsize berth and MCY's signature set of 4 round portholes on both sides.

Two Seakeeper gyro stabilizers help provide the most comfortable yachting experience possible.

Manufacturer Provided Description

When it launched, the MCY 76 heralded a new benchmark for luxury and technological content and introduced Monte Carlo Yacht's timeless, elegant style to the world. The MCY 76 develops classic elements into a new boating vision that shuns vulgar ostentation for refined personality and maximum functionality.

The naval design that the MCY 76 introduced to the world and has become a defining trait of Monte Carlo Yachts is unmistakably refined and contemporary elegant and makes no concession to nostalgic retro fancies or aerodynamic excesses. Our signature style is evident both in the overall line of each boat with their iconic profile and the pulpless high flared bow, and in the details, like the original touch given to the portholes by reinterpreting the classic bull's eye. Like all Monte Carlo Yachts, the MCY 76's interiors are the result of a masterful blend of aesthetic design considerations and smart, cutting-edge production resulting. Whatever the layout selected by the owner one thing remains the same, the beautifully appointed spaces are designed for comfort and the spaces are large, almost incredibly so for boats in this size category.

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
