Summary/Description

For Sale

2001 48 Ocean Yachts Super Sport "Hitman" yacht for sale. Walk aboard this pristine Ocean Yachts 48 Super Sport and you will be hard-pressed to find a similar sport fish with the care the current owner has instilled in this Yacht. The majority of systems have been replaced and those that are original, are still in great functioning condition. The Series 60 MTU engines push this yacht 25-27 knots depending on the sea conditions, burning only 46 GPH total! This sportfish has been put to the test on long offshore trips and is a turn-key operation for her next owner. Owned and operated by a seasoned Captain this boat has been maintained with an open checkbook. Located in Gulfport, FL - Call today to set up a private viewing!

Last in a series of 48-foot Convertibles from Ocean Yachts, the most recent 48 Super Sort has a wider beam than her predecessors with a more rakish profile (the house is carried farther forward on the Deck), greater bow flare and a deeper forefoot for an improved head-sea ride. Like all Ocean designs, her low-deadrise, tapered hull is quick to accelerate and fast across the water
