LF150XB
Outboard
150HP
111.86KW
Fuel: Gas/Petrol
Hours: 145
Year: 2017
Location: Starboard

Summary/Description

For sale.

2017 27 Sailfish Center Console is for sale! One of the most popular models in the Sailfish fleet, this vessel has it all! T-molded bow seating with storage under, forward in-floor storage, console head with sink and shower, and removable rear jump seats.

The console has dash space for a large video display, and the helm seat footrest offers additional storage under the lid. Cockpit bolsters, transom rod holders, and a foldaway stern seat are standard. The deep cockpit of the 270 CC Sailfish provides an extra level of security for a boat this size.

Built with customer feedback in mind, the 270CC offers a perfect balance of fishing capabilities and family-friendly features. One of the standout features of the 270 is its impressive storage capacity. Every square inch of this vessel has been maximized to provide ample space for all your gear and equipment. The higher gunnels, larger fish boxes, and transom livewell enhance the overall fishability, making it one of the best fishing platforms on the market. Additionally, the removable rear jump seats offer comfortable seating and easy access to the transom area when you want to focus on reeling in the big catch. The helm of the 270 is both functional and stylish, with plenty of room for your preferred electronics and multiple storage compartments. Customize the boat to fit your needs with a variety of leaning posts, helm seats, and optional forward seating with a removable table for leisurely after-dinner cruises. And let's not forget about the legendary Sailfish variable degree deadrise (VDS) hull that provides the softest ride in offshore fishing
