Summary/Description

2017 Vanquish 23 Bristol Harbor Series - 2023 200hp Honda outboard with remaining 4-year warranty! Loaded with features/amenities. Classy Downeast style dayboat!

Only 35 Engine Hours on New 200hp Honda 2023 Outboard, with 4-year Warranty Remaining!

Stretching just over 23 feet in length and riding on a generous 8-foot, 5-inch beam, the 23 Bristol Harbor Series Cuddy features a wide, flared bow, closed front deck and elegant four-panel windshield that gives this boat a classic form. A down east design and a quality day cruiser.

Features include lots of seats in the sun, twin berths in the cuddy cabin and a stainless-steel refrigerator.

Dual consoles located amidships divide the cockpit into forward and aft sections while supporting the seatback for riders facing aft. The full-width transom bench seat creates a comfortable and spacious cockpit area for conversation and entertaining. The middle section of the transom seat folds down to provide access to the full-width rear swim platform, an unexpected treat on a boat with outboard power. Placing the engine aft of the transom on the Armstrong bracket not only affords more interior space and allows the inclusion of the swim platform, but it also gives this boat impressive handling.

The pilot and navigator ride on plush bucket seats with flip-up bolsters. The helm is clean and contemporary, with space for a large multi-function display above the five-spoke stainless steel wheel with turning knob.

The cuddy cabin offers surprisingly generous headroom and dual berths that are 6 feet, 7 inches each; a filler cushion transforms this area into a queen-size berth. For additional comfort while cruising, a Jabsco toilet with holding tank is included.

The 23 Bristol Harbor Series Cuddy's super-durable Vinyl-Ester Epoxy Resin hull provides a stable, comfortable ride. This Vanquish Bristol Series Cuddy features an upgraded Honda 200 Hp 4-stroke engine that cruises nicely at a brisk 30 mph and can reach speeds in excess of 40 mph at wide-open throttle, turning heads every inch of the way.

Broker's Comments

The Vanquish 23, Bristol Harbor Series is a high end, quality built boat with a downeast flare. She's been beautifully maintained and offers a new Honda 200hp outboard motor with only 35 engine hours and transferable four year engine warranty! Well laid out for comfortable cruising with ample seating aft and a secure cuddy cabin forward that includes cushions and toilet. Spend the afternoon on the hook with an easy to operate anchor system that includes electric windlass, stainless steel pulpit and anchor. Bimini top and custom cockpit cover offers sun protection for boat and passengers. Please call for appointment and personal inspection.
