Manufacturer Provided Description

More ambitious than any other motoryacht in its class, the 510 Fly is a bridge boat ready to take command of the water. Its stately design includes an expansive layout as well as many social zones. Driven by powerful diesel inboards and optional Zeus propulsion, it has an exceptional fuel capacity, plus all the strength and durability needed for exploring larger waters. A full-beam mid-master and two additional staterooms further entice owners and guest to leave the ordinary behind.

Key Features:

- All the yachting necessities including fully equipped, standard upper and lower helm stations
- Customization to suit everyone's needs
- Designed for entertainment with many social zones and continuous cockpit and salon interaction
- Zeus Pod propulsion
- Multiple master stateroom configurations
- Spaces designed for livability
- Standard transom lazarette or optional crew quarters
- Expansive bridge layout features multiple convertible seating, lounging and dining areas
