Summary/Description

Great value for a boat this size currently on the market.

This Ferretti Yachts 730 has been looked after and constantly upgraded. Pictures are not stock photos, they are the actual boat. All services are up to date, and all scheduled maintenance has been done. This boat is turn key and ready to cruise. This vessel does not disappoint, and one of the best features of this yacht is that each stateroom has its own head. Large crew quarters and a great layout means this boat can do it all... and is a great Bahamas cruising boat and also great for private charter if desired. Captain & crew available.
