 857.56KW
 Fuel: Diesel

Summary/Description

2015 Sea Ray L650 Fly

2015 Sea Ray L650 Fly

The Sea Ray L-650 of the L (Luxury) -Class Series of ultra-premium yachts, introduced in 2016, is the first Sea Ray boat to be built to CE Category A ocean standard. Safety features were engineered into the design for operation in seas with higher wave heights and winds. Side decks were designed to channel any green water directly overboard, instead of to the aft cockpit and aft deck has grates in front of salon slider doors with drains to overboard. Two Seakeeper gyro stabilizers are standard, along with a powerful Onan generator and 90,000 BTUs of air-conditioning. Bow and stern thrusters simplify docking for easy owner/operator handling.

SERENE has many features found in much larger megayachts, such as the bow social area that is accessed from both sides of the foredeck and features a large oval seating area around a table and a forward sunpad. The large Euro-styled open flybridge with hardtop features chaise lounges forward of the portside helm console, that convert to seats or a huge sunpad. The bridge aft deck is configured for entertaining with wet bar and U-shaped seating around a dining table with a second table and seating on starboard side of helm. Teak covered molded stairs on portside lead down to the cockpit/aft deck shaded by the flybridge overhang. Another great exterior place for entertaining, with a cushioned aft bench seat and table, wet bar station with Kenyon cooktop, fridge, and ice maker for al fresco meals and cocktails. With the main salon sliders opened, the aft deck and salon combine for a vast social area.

The open interior layout was designed with an emphasis on luxurious comfort and beautiful craftsmanship such as the hardwood flooring, rich materials and design features. The entire forward area including the galley, dinette, and lower helm station, is raised a short level. The fully equipped open U-shaped galley features a counter overhang bar with two swiveling stools for quick bites or extra dining place settings. Forward portside galley is open to the dinette and lower helm station. Companionway steps lead down to accommodations level with full beam midships master suite featuring forward-facing centerline king berth, portside walk-in closet, and opulent head with shower on starboard side—both located aft along full-beam stateroom. Forward VIP stateroom features a centerline queen berth and en-suite head, and guest staterooms on port and starboard sides with twin berths share a head. All are beautifully appointed.

The Sea Ray L-650 features a standard hydraulic extended swim platform rated for a 1,200 lb. capacity to carry a tender. An extremely rare feature of SERENE is the stern lazarette day head, very convenient to the aft deck. Portside and starboard teak covered molded steps lead up to the cockpit/aft deck for access to the entire yacht. Walk-around side decks extend to the bow and foredeck seating/sunning area.

Call NOW to schedule a walk-through of this well-designed, premium Sea Ray L-650.

Manufacturer Provided Description

Luxurious experiences require much more than the aggregation of superior parts. True luxury, inspired luxury, requires that breathtaking style and rock-ribbed substance come together in perfect symbioses. It's aesthetics and functionality that not only complement each other, but elevate each other. This is where the L650 Fly makes its way.

- Lighting, LED
- Outlet, 120V GFI Protected
- Seating w/Storage
- Steps, Boarding (Molded-In)
- Steps, Molded Exterior Bridge Access w/Stainless-Steel Handrail & Storage Below
- Wet Bar w/Sink, Faucet, Solid-Surface Countertop, Stainless Steel Handrail & Trash Receptacle

Electrical Systems:

- Batteries, Odyssey AGM Sealed
- Battery Charger Over-Current Protection
- Battery Charger/Converter, 240V/50 Amp/24V
- Battery Equalizer, 60 Amp (2)
- Battery Solenoid Switches, 12V (2), 24V (2)
- Cable Television System with Inlet, TV Shore Cord, Coax Outlets, Gain Control & Antenna
- Panel, AC Main Breaker
- Panel, Circuit Breaker - Remote
- Panel, Main Distribution - DC

- Shore Power, Cablemaster™ (Glendinning) 240V/50 Amp
- Transformer, Shore Power Isolation - 240V/50 Amp
- Wiring, Color-Coded w/Chafe Protection

Engine Room:

- Bilge Pumps, 24V Automatic
- Bilge Pumps, 24V Automatic High-Water (1 Bilge, 1 Cabin)
- Fan, Oscillating - 120V
- Fire Extinguishers
- Fire Suppression System - Automatic w/Diesel Shutdown, Override & Manual Pull
- Flooring, Fiberglass
- Freshwater Cooling
- Gel-Coated Engine Room
- Insulation, Engine Room - 2" w/Loaded Vinyl Barrier
- Ladder, Stainless Steel - Removable/Swing-Away
- Lighting, 24V
- Storage Rack

Additional Systems

Fuel System:

- Diesel Fuel System - Electric w/Transfer Pump
- Fuel Filters, (3) Racor®
- Fuel Lines, USCG - Type A-1
- Fuel Tanks, Aluminum w/Manual Shut-Off Valves & Ultrasonic Sending Units

Generator:

- 29kW Onan Diesel (120V/240V/60 Cycle)

Mooring System:

- Anchor Chain Storage w/Gas-Assisted Hatches
- Anchor Chute, Stainless Steel
- Anchor Washdown Spigot w/Hose
- Anchor, Galvanized
- Windlass, Chain w/Foot Switches

Underwater Gear:

- Bonding System w/Zinc Hull Plate
- Propeller Shafts (2)
- Propellers (2)
- Rudders (2)
- Seacocks on All Underwater Fittings
- Seawater Strainers
- Shaft Logs, Dripless w/Extra Seal Carrier Kit
- Struts
- Thrusters, Bow & Stern (24V)

- Trim Tabs, Hydraulic

Waste System:

- Common Drain System
- Head System (VacuFlush®)
- Holding Tank Level Indicator - MDP
- Holding Tank w/Dockside Pump-Out (100 Gallon)
- Macerator w/Seacock Interlock System
- Sump Box w/Automatic Pump & Hinged Service Lid

Water System:

- Freshwater Washdown Spigots w/Hoses - Transom, Engine Room & Anchor Locker
- Manifold System w/Shutoff Valves
- Pressure Water System w/24V Pump & Charcoal Filtration System
- Shower, Cockpit - Hot & Cold w/Door
- Water Heater, 240V (20 Gallon)
- Water Inlet, Dockside
- Water Purifier System - Galley & Icemakers

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
