

38' (11.58m) 2021 Riva  
Rogers Arkansas United States

## OVERVIEW

Manufacturer: *Riva*  
Engines: 2 Volvo Penta  
Engine Model: D6  
Engine HP: 400  
Beam:  
Max Draft: "  
Water:

**\$1,279,000**

Hull Material: Fiberglass  
Cruise Speed: Knots  
Max Speed: Knots  
Cabins/Heads:/  
Fuel Type: Diesel  
Fuel:

## Data Sheet

Category: Sports Cruiser  
Subcategory: Cruisers  
Condition: Used  
Model Year: 2021  
LOA: 38' (11.58m)

Knots  
Knots  
Fuel Type: Diesel  
Hull Material: Fiberglass

Imported: No  
HIN/IMO: IT-FERRRM58K021

## Engines/Generators

### Engine 1

Volvo Penta  
D6  
Inboard  
400HP  
298.28KW  
Fuel: Diesel  
Hours: 51  
Location: Port

### Engine 2

Volvo Penta  
D6  
Inboard  
400HP  
298.28KW  
Fuel: Diesel  
Hours: 51  
Location: Starboard

## Summary/Description

2021 Riva 38 Rivamare

### 2021 Riva 38 Rivamare

**PRICE REDUCTION!!!!!!.....WHY WAIT UNTIL NEXT YEAR WHEN YOU CAN OWN THIS FRESHWATER RIVAMARE NOW!**

Riva Yachts' origin traces back to the mid-1800s in Sarnico, Italy with shipwright Pietro Riva, through decades and generations of boat building, transitioning from transport vessels to raceboats. Grandson, Carlo Riva collaborated with designer and architect, Georgio Barilani in the mid 1950s to build the beautiful speedboats that were acquired back then by celebrities as status symbols of design and lifestyle, and are sought after today for those who appreciate the legendary excellence of Riva Yachts.

Today the Riva brand is part of the world-renowned Ferretti Group. Mauro Micheli and Sergio Beretta co-founders of Officina Italiana Design is the studio that exclusively designs the Riva fleet including Rivamare models. Carlo Riva's dream "to build boats of peerless beauty" is realized in the 38 Rivamare Open. Styled like a sleek luxury Italian sportscar, the 38 Rivamare combines classic with ultramodern to create a "yachting masterwork."

- **Proportional Electric Bow thruster**
- **Mahogany plank flooring in cockpit and helm area**
- **Fold Down Teak Swim/Sun Deck**
- **Fresh Water-Covered-Lift Kept**

This exquisite, sportscar handling pleasure yacht is now available for your inspection at a covered-slip marina on beautiful Beaver Lake in the Ozarks at Rogers, Arkansas, by appointment only. Call now.

## Vessel Walkthrough

### Factory Options:

- Metallic version
- London Grey
- Sheet, pillowcase and bedspreads set for convertible lower deck dinette
- Electric blinds for lower deck dinette (side Venetian blinds and roof light blind)
- Up-down table for lower deck dinette with cushions to complete dinette
- Version in gloss varnish mahogany
- Maple-seamed mahogany in cockpit and central walkway towards the stern with anti-slip/gloss varnish
- Transport hood
- 4 HP Electric Bow Thruster
- Side underwater lights (2 per side)
- Underwater lights on transom (pair of lights) with indirect LED lighting in rub rail zone
- Bottle rack/refrigerator in lower deck dinette
- Installation of fiberglass sea bob/storage compartment (starboard)
- Seakeeper NG5 gyroscopic stabilizer
- Automatic Trim System

- Autopilot integrated in navigation system with driving mode joystick system upgrade (from standard docking mode joystick system)
- Wired remote control with bow digital chain counter
- Pilot station monitor: 16" upgrade (from Standard 7")
- Premium Sound Pack: upgrade of 2 x cockpit speakers (4 x total) and upgrade to HQ
- TV in lower deck dinette, 32", with terrestrial aerial, DVD/Blu-ray player and Apple TV
- Pilot seat feet rest bar
- Lower deck air conditioning
- Onan 6kW generator upgrade (from 4kW Standard)
- Shore power socket 50A - 120/240V
- Galvanic isolator 50A
- Microwave oven 60Hz
- Ice maker 60Hz
- VHF Garmin in main helm

### **Hull and Deck:**

- Access to the swimming platform with fiberglass steps covered in anti-slip painted mahogany and stainless-steel edge
- Adjustable searchlight in chromed brass on windshield
- Aft sundeck handrail in solid glossy painted mahogany, with polished stainless-steel ends (2)
- Bow watertight bulkhead
- Central and lateral fiberglass hatches upholstered for sunshade storage
- Concealed stainless steel manual swimming ladder on stern hatch
- Details in glossy painted mahogany
- Drainage scuppers
- Electric anchor winch 1000 W 12V with control from the helm station and bow control
- Electro-hydraulic stern fiberglass hatch laid in mahogany inside, to create a beach area
- Fiberglass hatch for aft storage area (2)
- Fiberglass deck with Ice White gloss gelcoat and mahogany
- Fiberglass forepeak inspection hatches
- Fiberglass hull with Ice White gloss gelcoat
- Fiberglass stern platform covered in anti-slip painted mahogany
- Flagpole
- Fresh-water chrome inlet
- Fuel chrome inlet
- Horizontal stainless-steel handrail on the stern hatch stair
- Horn covered with a vintage-style chrome-plated aluminum cover and mahogany flagpole at bow
- Hull antifouling coating
- LED lights on stern hatch steps (3) and deck steps (3)
- Painted boot stripe
- Polished stainless steel air inlet covers (2)
- Polished stainless steel bow defense with integrated hawse
- Removable and foldable cushion to be used to open stern hatch (2)
- Removable fender hooks (6)
- Side rub rail in solid mahogany
- Stainless steel anchor 15 Kg with 50 m ø 8 mm galvanized steel chain
- Stainless steel bow fairlead
- Stainless steel buckle for fender holder pins (8)
- Stainless steel cleats: (2) at bow, (2) at midship and (2) at stern

- Stainless steel deck accessories
- Stainless steel rub rail
- Stern compartment with hatch housing shore electric supply (port side)
- Stern compartment with shower unit and mixer tap (starboard side)
- Stern sun pad with upholstered cushions with plexiglass glass holders
- VHF antenna

#### **Hatches and Windows:**

- Access hatch in the cockpit for technical and systems area
- Curved laminated glasses with stainless steel frame on the bow deck
- Fiberglass sliding access door to lower deck with lock
- Lateral laminated glass windows
- Stainless steel and laminated curved glass windshield

#### **Cockpit:**

- Concealed electro-hydraulic fabric sunshade with stainless steel bows; applicable transparent canvases, (1) front, (2) lateral
- Cover for copilot seat furniture
- Cover for pilot seat furniture
- Cover for table
- Cover from windscreen to stern with possibility to access cockpit
- Fiberglass co-pilot seat furniture with integrated ice basin and rubbish recycling drawer
- Fiberglass pilot seat furniture with integrated wash basin, cold water tap, Corian plate, drawer fridge 35 lt and bar drawer
- Fiberglass flooring with non-slip surface
- Fire extinguisher
- Hatches with electric pistons for engine inspection under sun pad (2)
- LED spotlights (5)
- Living area with sofa with upholstered cushions, underneath storage for life raft and shoes storage drawer
- Self-draining cockpit
- Stainless steel handrail wheelhouse area (2) with mahogany insert
- Stainless steel table with glossy coated mahogany folding top with plexiglass
- Watertight loudspeakers (2) connected to the Hi-Fi system

#### **Helm Station:**

- Dashboard cover
- Emergency activation/shutoff panel in "shutdown" unit (engines, generator and extractors shut down in the engine room) with cylinder status gauge
- Engine and trim electronic controls
- Engine oil pressure gauge
- Engine rev counter
- Engine room high temperature acoustic alarm
- Engine water temperature gauge
- Fiberglass flooring with non-slip surface
- Glass Cockpit with function: GPS antenna, chartplotter, depth sounder, engine monitoring, fuel consumption, trim and interceptors, helm, level water tank and fuel tank and control audio system
- Object holder with mahogany bottom on the right
- Removable navigation light mast and anchor light

- Upholstered seat with manually folding seat, padded headrest (3)
- USB socket 12V
- Varnished fiberglass helm station with carbon panels and upholstered areas with covered steering wheel, magnetic compass, various controls and alarm lights
- VHF radio telephone with DSC

#### **Galley:**

- Bulkheads in wood
- Carpet flooring
- Corian worktop concealed in the unit with incorporated wash basin and foldable mixer tap
- Electric outlet 230 V
- Fridge 65 lt
- Furniture in wood with on the top, shelves equipped for dishes, glasses, and coffee machine, on the bottom, the electrical panel
- Glass ceramic cooking top concealed
- Lacquered ceiling
- LED spotlights
- Microwave oven
- Plexiglass hatch on ceiling
- Stainless steel handrail and wood stairs with stainless steel edge, lacquered steps with indirect strips led to access the below deck
- Wood furniture with indirect led light and wall units in wood

#### **Dinette:**

- Bow bulkhead in mirror
- Bulkheads and furniture in wood or lacquering
- Carpeted flooring
- Curtain manual ceiling with shielded / blackout function to the glass on the deck (2) and led panel in the middle
- Cushions 40 x 40 cm (3)
- Drawer under the sofa
- Electric outlet 230 V
- Fire extinguisher
- Hi-Fi system connected to loudspeakers in cockpit
- Lacquered and upholstered ceiling
- Lacquered locker
- Lateral glass housing with Venetian blinds and indirect strips led
- Leather upholstered V-Sofa
- Loudspeaker connected to the Hi-Fi system (2)
- Stainless steel handrail with mahogany insert
- Storage area under the sofa and under the floor

#### **Bathroom:**

- Bathroom accessories (towel rail, soap dispenser, bathrobe hangers, toilet paper holder, toilet brush holder and glass for toothbrushes)
- Black water tank level indicator integrated in the toilet control panel
- Bulkheads and furniture in wood or lacquering
- Corian sink with mixer tap
- Electric ceramic toilet/bidet

- Electric extractor
- Electric outlet 230 V
- Lacquered ceiling
- Lacquered locker with mirror
- Lateral glass housing with Venetian blind
- LED spotlights
- Mirror
- Plexiglass hatch on ceiling
- Set of towels (2)
- Shower cubicle separated by glass door with polished stainless-steel frame and Corian shower floor
- Wash basin top in Corian
- Wooden floor
- Wooden cabinet under wash basin

#### **Engine Room:**

- Air inlets (2)
- Electric outlet 230 V
- Engine room and technical area temperature alarm sensor
- Fuel tank 1000 liter with visual level
- Fuel-water separator filters with alarm
- Light alloy anti-skid flooring
- Lighting 12 V
- Water-on-board alarm sensor

#### **Systems:**

- Air extraction system in the engine room with electric fans (2)
- Automatic extinguisher FM200 (2) in engine room and in systems room with external control
- Bilge discharge system with (3) manually and automatically controlled immersed electro-pumps and one manual pump for emergency operation
- Black water discharge system with a 38 lt holding tank and pump
- Chain freshwater washing system
- Device for remote closure of the engine and generator fuel supply valves controlled by the firefighting system
- Engine cooling with seawater
- Fresh water system autoclave with electronic control 12 V
- Freshwater PE tank 330 lt
- Freshwater system
- Grey water discharge system with a 42lt holding tank and pump
- Hot water system with 30 lt boiler
- Trim tabs system (intruders)
- Valves and electro-valves fuel interception for engines and generator
- WC system with freshwater flush

#### **Electric System:**

- 230V Outlets in various areas
- Automatic battery charger
- Auxiliary service battery set
- Battery switches, services and engines
- Bonding system with porous copper plate

- Cathodic protection with zinc anodes
- Engine battery set
- Generator 4,0 kW 230 V 50Hz with soundproof box, exhaust gas and cooling water separator
- Lighting 12V
- Manual battery switch for generator
- Panel switches
- Parallel battery for engine start-up
- Parallel battery for service/auxiliary service
- Service battery set
- Shore power connection 32 A 230 V 50Hz with cable
- Tanks level monitoring (fuel and fresh water)
- USB socket 12V in wheelhouse and lower deck area

**Safety Equipment:**

- Illuminated buoy
- Inflatable life jacket (8)
- Life raft 4 people (2)
- Life ring with rope

**Mechanical Disclaimer**

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.

**Disclaimer**
