Condition: Used
Model Year: 2007
Beam: 14' (4.27m)
(0.00m)
Min Draft: 3' (0.91m)
LOA: 35' (10.67m)
Cabins: 1
Heads: 1

Knots
Cruise Speed: 30 Knots
Fuel Type: Diesel
Deadrise: 17°
Hull Material: Fiberglass
Hull Shape: Modified Vee

lbs
Dry Weight: 20000 lbs
Fuel Tank: 400 gal (1514.16 liters)
Fresh Water: 100 gal (378.54 liters)
Holding Tank: 30 gal (113.56 liters)
Imported: No
Builder: Cabo Yachts

Engines/Generators

Engine 1

Caterpillar
C9
Inboard
500HP
372.85KW
Fuel: Diesel
Hours: 1056
Year: 2007
Serial #: X9X00630
Location: Port

Engine 2

Caterpillar
C9
Inboard
500HP
372.85KW
Fuel: Diesel
Hours: 1054
Year: 2007
Serial #: X9X00627
Location: Starboard

Summary/Description

2007 Cabo Yachts 25 Express - Highly Upgraded! Excellent fish-fighting performance on renowned Cabo hull! Garmin electronics! Fully equipped for tournament, Bahamas, canyons...whatever fishing style! Comfortable cabin for further destinations. Why wait? Available NOW & Ready to Fish!

2007 CABO YACHTS 35 EXPRESS

NEW TO MARKET! 2 OWNER, MANY UPGRADES!! NEW ELECTRONICS EISENGLASS AND FULL RECENT BOTTOM AND C-9'S LOW HOURS AND CURRENT MECHANICAL SERVICE.

When you step aboard a CABO 35, you'll immediately understand why almost every boating magazine in the world has lauded this CABO with superlatives. You'll be astonished at what the 35 Express is capable of when chasing down a fish in the Bahamas, the 'Canyons', on the reef or in the Gulf of Mexico. Not only does she turn on a dime, back down like no other, but the 35 Express stays right where you put her, even in the roughest of seas. And, because of her beam, modified-V bottom and low center of gravity, this CABO is a fighting platform with unequaled stability in all conditions.

"Survivor" is ready to go! She is upgraded with all new state-of-the-art Garmin electronics and cockpit air conditioning. This Cabo has been a "local" professionally maintained vessel.

Seller's family has grown and is moving up.

Manufacturer Provided Description

Created by the boat building team of Henry Mohrschaldt and Michael Howarth, the same craftsman selected by Fortune Magazine for building one of the top 100 products in the world, the Cabo 35 Express is a benchmark in design, construction, and performance. As an offshore powerboat racer, Dick Ornstein knows that it takes a masterful blend of design and construction to achieve a high level of performance. When it came time to purchase a sportfisher for his personal use, he chose Cabo for just those reasons. Opt for the turbo charged and after-cooler 435 hp (422 shaft hp) Caterpillar V-8 diesel, and the Cabo 35 Express has a top speed of more than 40 mph at 2750 rpm. Even more important in the real world, however, is that the Cabo Express can eat up the miles at a comfortable cruising speed of 33 mph and still have a range of nearly 350 miles. This combination of speed and range gets the Cabo 35 to a faraway fishing ground fast and allows it to stay longer than any comparable boat. Whether you're backing down on a billfish, spinning to stay with tuna, or firewalling the throttles to head for new fishing grounds, the Cabo 35 Express responds instantly to helm and engines.

- Shafts pulled and new drippless 6/2023
- Underwater lights 6/2023
- ICOM 604 12/2021
- GARMIN Radar 24XD Dome, 11/2020
- GARMIN helm 1242 XSV, 1242 Plus and tower 942, 11/2020
- Misc. pumps and general maintenance in 2023

Vessel Walkthrough and Details

Deck/Hull:

- Full Tuna Tower with Buggy Top and Custom
- Underside Paint
- LED Spreader Lights
- Rupp Tournament Double Spreader Outriggers
- Engine hydraulic access
- Cockpit shade
- Transom door
- Dive-Swim platform
- Engine instrument panel, custom, with audible warning system
- Anchor roller assembly, recessed, custom stainless steel
- Forward mooring cleats (2), stainless steel
- Spring line cleats, stainless steel
- Stern cleats (2), stainless steel
- Custom bow rails, aluminum
- Bow pulpit, integral molded fiberglass
- Stern hawse pipes, stainless steel
- Deck surface, molded-in, non-skid
- Molded fiberglass using polyester resin, biaxial stitched fabric reinforcement and core construction
- Premium quality molded-in white gelcoat exterior finish
- Windshield, side vents, heavy-duty welded aluminum construction finished in white polyurethane paint; includes electrically actuated center vent
- Windlass, heavy-duty, DC electric, remote at helm and deck switches
- Danfort 42 lb., 50' 5/8 and 300 5/8 line
- Windshield washers (3), freshwater-supplied
- NEW STRATO GLASS AND EISENGLASS

Helm:

- Companion seat, reversible, forward/aft facing
- Companionway door, sliding, opaque with white acrylic
- Engine access hatch with gas spring
- Helm Console, integrally molded
- Molded fiberglass helm deck, hydraulically lifted with cockpit control unit
- Helm seat, bench-style, adjustable with foot rest
- Lounge, with rod storage beneath
- Storage, cabinet at helm
- Tackle center with drawers for gear storage and organization
- Engine instrument panel, custom, with audible warning system
- Compass, with light, flush-mounted
- Helm wheel, stainless steel
- Fire and bilge high water level alarms, audible
- Top mounted, single lever electronic controls
- Switch panels, custom, stainless steel

Cockpit:

- Rocket launcher
- Aluminum reinforcing plate installed for mounting fighting chair
- Bait prep center - sink, rigging board and tackle storage fitted with custom lid, gas
- Bait tank, 40-gallon, molded into transom with large overboard drain and LED
- Courtesy lighting under gunwales and helm deck toe kick
- Fish boxes (2), large capacity, insulated, macerator pump-out system
- Hose and pistol-grip nozzle
- Gunwale padding, high-density foam, white vinyl covered
- Icebox, fitted with gasketed lid, gas spring actuator, full-length stainless steel piano hinge and custom latch
- Hatches, lazarette and fish boxes, heavy-duty, gasketed, drains, gutters, full-length stainless steel piano hinge and custom latch
- Rod holders (4)
- Scuppers, self-bailing
- Transom door with top gate, extreme duty, polished stainless steel hardware
- Washdown, freshwater
- Washdown, saltwater

Main Salon and Forward Berth:

- L-Shaped Sofa Convertible to Over/Under Bunks
- On Deck Storage and Plumbing Access
- Teak and Holly Sole
- Cedar Lined Hanging Locker
- Dressing / Seating area next to Berth
- Off Set Twin Berth
- Rod Storage Port and Starboard of Berth
- Under Berth Drawer Storage
- Full Head Area with Stall Shower, Vacuflush Toilet and Vanity

Head:

- Solid-surface countertop with undermount sink
- Vanity with storage
- Toiletry storage cabinet, framed with mirror doors
- Head, Sealand Vacuflush, electric
- Latches, positive, cabinet doors and drawers
- Shower, stall, automatic shower sump pump
- Exhaust blower
- Opening port light
- Holding tank monitoring system
- Towel rack

Galley:

- Cooktop, ceramic, two-burner, recessed with solid-surface cover
- Solid-surface countertop with sea rails
- Latches, positive, cabinet doors and drawers
- Microwave/convection oven
- Refrigerator/freezer, side-by-side, AC/DC
- Sink, stainless steel
- Storage compartments and drawers throughout
- Undercabinet lighting, recessed halogen

Mechanical:

- Bilge, white gelcoat finish
- Bilge pumps (4), three automatic/manual, one automatic
- Electronic controls, engine synchronizer and back up
- Emergency bilge pump diverter valve on one main engine
- Engine alarm system
- Engine room liner, white gelcoat finished
- Engine room blowers (2), DC
- Fire extinguishing system, manual/automatic
- Freshwater cooling, on main engines
- Freshwater pump, DC
- Fuel filters with water separators on main engines and generator, large capacity
- Fuel lines, metal braided, fire-retardant
- Fuel tanks, fiberglass, constructed with fire-retardant resin and coated with fire-retardant paint
- Helm deck lift system, hydraulic.
- High water bilge alarm
- Holding tank, 22-gallon, with monitor, macerator and dockside discharge
- Mufflers, fiberglass with backwash surge tube
- Propeller shafts, double taper, couplers, high-strength stainless steel
- Propellers, 4-blade Nibral
- Power steering
- Rudders, bronze, high-strength, with high load bearings
- Sea cocks, UL approved for marine application bronze
- Stuffing boxes, drip-less lip seal type
- Water intake scoops, bronze, high-speed, with integral seawater strainer
- Reverso Oil Change System
- Trim Tabs
- Water heater, 11-gallon, AC, stainless steel

Electric:

- 6kW Freshwater-Cooled diesel generator with seawater strainers remote start and digital panel, water muffler, safety shutdown system
- 50' Shore power cords (2), 120V, 30-amp
- Battery charger, automatic with thermal cut out
- Battery on/off switches, vapor-proof
- Battery paralleling, automatic, with manual switch at helm
- Bonding system with transom zinc plate
- Circuit breaker protection throughout
- Distribution panel, AC, with line voltage, load meter, and reverse polarity light
- Distribution panel, DC, with line voltage, load meter, and reverse polarity light
- Horn, dual air trumpet
- Lights, engine room, DC
- Lights, interior, DC Halogen
- Lights, navigation, international
- Receptacles, GFI protected, throughout
- Batteries, heavy duty
- Air conditioning / heating, AC, 10,000 BTU
