Summary/Description

2004 Hydra-Sports 2400 CC Vector

Newer Garmin Radar and GPS (7612)

RGB lights throughout the boat

Newer JL audio speakers with amps and head unit

Boat cleaned and waxed monthly

The 2004 Hydra-Sports 2400 CC Vector is a high-performance center console boat that is built to handle a variety of fishing and boating needs. Measuring in at 24 feet long and 8.5 feet wide, this boat provides ample space for up to 10 passengers, making it a great choice for families or larger groups.

The 2400 CC Vector is powered by twin Suzuki 175 horsepower outboard motors, providing plenty of power for offshore fishing and cruising. The boat also features a large fuel tank, allowing for extended trips without the need for frequent refueling.

The center console design of the 2400 CC Vector provides a spacious cockpit, with plenty of room for gear and equipment. The boat is well-equipped for fishing, with multiple rod holders, a large fish box, and a live well for bait. There's also a T-Top providing shade and shelter from the sun.

Inside the console, there's a small cabin with a marine head and a sink, providing added convenience and comfort for longer trips. The boat also features comfortable seating throughout, including a large bench seat at the stern and a forward-facing seat at the bow.

The 2400 CC Vector is built to handle rough conditions, thanks to its deep-V hull design and high freeboard. This boat is also easy to maneuver, with responsive handling and a smooth ride even in choppy waters.

Overall, the 2004 Hydra-Sports 2400 CC Vector is a versatile and reliable center console boat that is perfect for serious anglers and families alike. Whether you're looking to spend a day fishing offshore or cruising with friends and family, this boat has everything you need for a comfortable and enjoyable day on the water.

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
