## Summary/Description

2018 Robalo R247 Dual Console

**This 2018 R247 Robalo is in good condition. It is powered with a 300hp Yamaha 4-Stroke engine (57 hours). It has a hard top, bottom paint, dark blue hull, Simrad electronics including radar, boat cover and lots more. Seller is looking for offers.**

## Manufacturer Provided Description

If you want a family sport boat that can operate where stern drive rivals dare not tread and is also a serious fishing machine, Robalo's versatile R247 is in a class by itself. There's so much to like about the R247. Kevlar reinforcement and stainless steel hardware are a cut above. A have-it-your-way options list is accented with an innovative three position portside seat, a clever wet bar, vacuflush head, special electronics and an assortment of custom tops and towers. Search all the leading competitors and you won't find a dual console in this size range with more storage. Everywhere you look there's room for cargo...under all the seats, in the starboard console, in the floor and at the bow.
