Hours: 1900
Year: 1980
Location: Middle

Summary/Description

1979 Cape Dory Cd 36

1979 Cape Dory Cd 36

BLUE WATER PROVEN TRACK RECORD

Raymarine Auto-Pilot, Garmin 740 S Plotter, Upgraded Harken Furler, Sails and Mast/Boom/Rigging just gone over by Mack Sails. Mast just stripped to bare metal and painted and all hardware reinstalled professionally.

Go Anywhere Cruiser with 5' Draft and under 50' Bridge Clearance.

The Cape Dory 36 is a unique vessel in that it offers the best of both worlds - comfortable coastal cruising as well as safe passage making to distant shores. A notable Carl Alberg design with a full keel (cutaway forefoot) and a shallow draft, the CD 36 is known for decent upwind performance.

With a cutter rig and lines leading to the cockpit, these boats are a great option for the single handed sailor. And with a bridge clearance of 46'6" you will have the inside route option in most locations - even the Okeechobee Waterway!

She is a great example of a well kept up and modernized Cape Dory 36.

Exclusions

Owner's Personal Property. Outboard Motor (conveys with boat).

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
