Manufacturer Provided Description

Chaparral has been building quality family boats since 1965. Founded in Fort Lauderdale, Florida - Chaparral has called Nashville, Georgia home since 1976. Encompassing over 1 million square feet of manufacturing facilities, we are one of the South Georgia's largest employers with a full time roster of over 800 employees. Building high quality boats is still a process completed by hand by skilled craftsmen. At Chaparral, many of our builders are second or third generation boat builders that take personal pride in every boat they build.

Vessel Walkthrough

Vessel entry is via the swim platform when stern tied, otherwise the freeboard in the cockpit is low enough to make for an easy entry. Entry to the helm deck is between the guest seating up a step from the cockpit. The helm is equipped with a helm chair and dual Garmin multi function displays. The companion seat is to port and there you have access to the private day head. Above, is the hardtop with opening sunroof. Full canvas windows and curtains for those days when the sun doesn't cooperate.

Electronics and Helm:

- Dual Garmin MFD's
- Joystick control
- Trim Tabs
- Stereo with Speakers Throughout
- Engine monitors on Garmin
- Dual USB DC power outlet

Electrical:
