Manufacturer Description

The Sea Ray 350 SLX redefines "day boat" to mean all day and then some. Comfortable seating for 18 passengers underway means connecting with friends, family, even generations. An array of Sea Ray's Next Wave™ innovations provide a superior experience, from the noise-quashing powers of Quiet Ride, to the precision and stability of Dynamic Running Surface, to the agility of Axis® joystick technology. And a host of intelligent features combine in a sleek, stylish package that far surpasses the typical bowrider. Bow to stern, the 350 SLX is designed to ensure that all day unfolds your way.

Key Features:

- A superior ride and handling is further enhanced with optional Axis® Propulsion System with joystick control and Dynamic Running Surface™
- Best-In-Class seating layout includes seating for 18 anchored by ergonomic, convertible aft loungers
- Revolutionary styling is accentuated by extended hull side windows and luxury-auto style upholstery
- Next Wave features are available for customization - including a Digital Dash and enhanced lighting package
- Plenty of Sun coverage via fiberglass hardtop w/optional extended sunshade
- Innovations, such as unique storage solutions throughout the interior and proprietary quietRIDE™ Technology - featuring Tuned Transom®, enhance the boater's experience
