Summary/Description

1996 Silverton 372 Motor Yacht

This 372 Silverton has been in the same family since new and it shows!

Take a look at the pics and see how clean and squared away she is!

If you have been looking for the perfect floating condo, you don't have to look any further!

Slip is available if you want to stay in beautiful, historic Charleston SC.

You won't find a 2 bedroom condo anywhere for this price!

Vessel Walkthrough

"Those looking for an affordable, maxi-volume cruising yacht will find much to like in the 372 Silverton Motor Yacht. By eliminating the side decks in favor of elevated staircases, - what the company calls Sidewalks - Silverton designers were able to produce a distinctive midsize motoryacht whose salon dimensions are truly expansive for a boat this size. She rides on a high-freeboard modified-V hull with a solid fiberglass bottom and wide 14' beam. Hands down, the principal feature of the 372/392 Silverton is her enormous full-beam salon complete with cherry joinery, Ultraleather sofa, dinette and full service galley. There are double berths in both staterooms and each head contains a separate stall shower. Topside, the flybridge is arranged with bench seating fore and aft of the helm console. The afterdeck is standard with a hardtop, wet bar and rear bench seat, note the curved staircase descending to the swim platform." From the Power Boat Guide.

Main Salon:

The salon is full beam and incredibly spacious! Make you feel like you are on a much larger Motor Yacht!

- Very spacious wide-open salon, cherry wood throughout. Large L-Shaped sleeper
