Summary/Description

2001 Cruisers Yachts 4450 Express Motoryacht

This Cruisers 4450 Express Motoryacht that has been meticulously maintained. With a 3-stateroom layout, and beautiful full-beam master stateroom with an ensuite head and shower, perfect for couples or families who love to cruise. It features bow thruster, a full enclosed sundeck and helm, molded-in steps from the hydraulic swim platform up to the sundeck. She is powered by twin Volvo 480 hp diesels and an Onan 11.5 kw generator provides power for all of the yacht's systems. Great Loop boat and Akua Makana is ready to go. A Must See !!

Manufacturer Provided Description

The Cruisers 4450 Express Motoryacht is a sleek, powerful yacht that offers all the advantages of express-style cruising. The cockpit provides comfortable seating associated with traditional express boats but eliminates the typical separation of guests between a bridge and aft deck. The cockpit includes a wet bar that can accommodate a refrigerator and ice maker, and a full windshield provides excellent wind and weather protection. Owners will also be able to select a Bimini top enclosure that attaches to a standard arch, or an aft hardtop with wing doors and a full weather enclosure. This boat offers triple-stateroom accommodations in a true aft-cabin interior. The master stateroom offers both privacy and luxury, is located aft, and features an island berth, walk-in closet, and a private head with shower. A guest stateroom is located forward, and a third stateroom is located amidships. The spacious, bright main salon offers additional sleeping accommodations with a large convertible dinette, full service galley, and an optional L-shaped sofa sleeper.

Vessel Walkthrough

Boarding is a breeze with the Large Hydraulic Swim Platform, followed by the molded staircase to the sundeck. From there you can easily access the wide walkways or head towards the helm and salon via a companionway. Inside the salon, the companionway to the master stateroom with an ensuite head is situated to the port side. The salon itself is nearly full beam in the aft half of the main cabin, with a U-shaped galley forward to port and a dinette to starboard across from the galley. The companionway to the forward berthing compartments is located between the galley and dinette, with a guest stateroom featuring twin single beds to starboard amidships, which also houses a convenient washer/dryer combo unit. Across from the amidship guest stateroom, you'll find the guest head, followed by another guest stateroom with a centered queen berth located in the bow. The engine room can be easily accessed via the sole of the salon
