Broker's Comments

Nicely kept and well upgraded SeaVee 340B. These boats do not come available very often and this one was very heavily optioned at the factory. This boat would be great as a family boat or a Hard Core fishing machine. Just having completed a fresh engine service.

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
