## Vessel Walkthrough

This 36 Yellowfin is in excellent condition. Stepping over the tall gunnel and into the cockpit you are greeted by a spacious center console lay-out. Looking stern of the boat there is a large livewell/killbox, access to the Yamaha 425s and plenty of room for fishing. Mid of this Yellowfin is the helm with a full SIMRAD electronics package that normally you would see on a larger sportfish. Forward on the bow is plenty of space for fishing and entertaining. Forward in the bow area is also an electric lift coffin box for plenty of storage on top of the deck as well as underneath. You will notice all of the powder coating is in great shape and the shine follows through out the boat.
