The Front Runner 39 CC is hands down one of the best riding center consoles in her class. "Blue Tales" is powered by quad Mercury 300 V8's with low hours and built with the intention of reaching some of those long distance spots as it features the extended fuel option (650Gal). Some notable options include, triple Simrad multifunction displays, marlin tower (folds for trailerability), SiOnyx Nightwave camera, bow thruster, dive door, underwater lights, upgraded JL audio system, triple helm seats, Gemlux carbon fiber outriggers with center rigger, SeaDek, cockpit screen, slide out Frigid Rigid cooler, insulated sun lounge with chiller plate, air conditioned cabin, tackle center, and much more. Contact the listing broker for more information or to schedule your showing.

Manufacturer Provided Description

Built with classic styling, and modern innovation, the 39cc is a leader in her class. From the big bow flair to the high performance stepped bottom, the 39cc is sure to turn heads at the dock or while conquering rough seas. She also includes an enormous space down below to escape the elements. Whether you need to cool down at the sandbar or take a nap while drifting overnight for swordfish, the 39cc has you covered. The finest materials were used in her construction, and cutting edge design and engineering were used to make this boat perform and ride just like she is named, a true Front Runner.
