Fuel: Gas/Petrol
Hours: 1400
Location: Starboard

Summary/Description

2005 SeaVee 34 Center Console / Cuddy

Preliminary Listing

"Legacy" is one of those rare finds that don't come to market frequently. The 34 Cuddy offers the best of both worlds, center console fishability paired with the storage and accommodations of a walkaround. Between 2015 it was sent to SeaVee for a refit which included new wiring, plumbing, and in 2016 repowered with twin Mercury 350's. More recently the boat was outfitted with a new stereo system, Garmin radar, Durabrite light, VHF, head, spray curtains, and lower units. If you're looking for a lot of boat for the money look no further, this 34 Cuddy is ready to go! Call the listing broker to schedule your showing today.
