Walkthrough

Main Deck:

Moving forward the galley is located to port. All the way forward is the country kitchen style dining area. There is a portside door giving direct access to the side deck and the stairwell down to the guest cabins and crew area is forward to starboard.

Lower Guest Accommodation:

The lower guest area comes with a port side cabin that comes with a queen-sized bed, ample storage and the head is forward. There is a door from this cabin to enter the engine room. The starboard guest stateroom comes with two single berths plus a "pullman" style berth on the inboard bulkhead. There is ample storage, and the head is forward.

Crew Area:

There are two forward cabins each with upper and lower single berths and an enclosed head to starboard. The crew lounge is to port and comes with a microwave, laundry equipment and a table and seating area. There is a chilled wine cabinet plus two refrigerated drawers in the companionway leading aft to the guest cabins.

Master Cabin:

This is located aft and accessed down the stairway in the starboard aft area of the salon. The stateroom is full width and

comes with a king-sized bed aft on the centerline, large hanging lockers, seating area to starboard and a vanity desk to port. The head is forward to port.

Sky-lounge/Flybridge:

Up on the flybridge you will find plenty of seating and storage. The helm is forward on the centerline with all engine controls, gauges and electronics easy to hand. Aft of the helm to port is a counter with the icemaker below and stools on the aft side. The large sofa is to port with lounge chairs to starboard. The boat deck can be accessed from the large aft doorway.

Machinery Space:

Accessed from either the small hallway outside of the master stateroom cabin door or from the port guest cabin. The engine room has full standing head room for access to all machinery to perform service work.
