Summary/Description

This S 428 Pursuit has been maintained with an open checkbook, and is in turn key condition. She just came out of the yard with all maintenance done and a brand new generator installed. Just hop aboard and head to your favorite destination! A Must See!

This S 428 Pursuit has been maintained with an open checkbook, and is in turn key condition. She just came out of the yard with all maintenance done and a brand new generator installed. Just hop aboard and head to your favorite destination! A Must See!

Walkthrough

Vessel Walkthrough

Boarding vessel from the stern, there are four 425 Hp Yamaha outboards across the transom along with a Glendenning cable master, pop up cleats, and a shore water hook up. Moving into the cockpit, centrally located in the top of the transom is a large refrigerated box with 4 rod holders and 2 drink holders with a fold out upholstered bench seat beneath. Outboard to port and stbd of the seat are electric outlets for electric reels, and switch panels for various equipment and an engine flush system also on the port side. Baitwells are located to port and stbd above. Outboards are painted white, the hull and underside of T top are light blue, the windshield frame is black, and the decks are white diamond pattern nonskid. Exterior upholstery is a light grey diamond pattern with dark grey trim, along with dark grey bolsters along the combing. Forward of the transom to stbd is a handheld deck shower and a fold down balcony with faux teak flooring. Opposite to port there is an opening dive door with ladder fittings in the deck. There are 6 rod holders across the transom and a couple of drink holders.

Forward of the transom bench seat is an opening locker containing bilge pump and float switch, swim ladder, house and engine batteries, fire system bottle Groco sea strainers, New Onan generator in a sound box, fuel filters, sea cocks, and pumps for baitwells. Fish boxes are located in the deck to port and stbd and cockpit scuppers are located in the aft corners.

Forward of the hatch in the deck is an aft facing upholstered electric sliding bench seat with two upholstered fwd facing seats with folding backs. Opening cabinets beneath contain slide out tackle boxes. Rod holders are located under the port and stbd side gunwales, and there is a portable fiberglass step for boarding. Pop up cleats are located bow, mid, and stern on both sides, and stainless hand railings are also mounted inside the gunwales running from midship forward, with grey upholstered cockpit bolsters.

Forward of the sliding seating is the cockpit entertainment area with a sink, refrigerated box and an electric grill. There is a large T top overhead with recessed lighting and four JL Audio speakers underneath as well as outrigger controls and opening hatches with ladder wrungs beneath for hardtop access. There are dual color LED aft facing lights and an electric retractable awning for shade over the aft cockpit area. Six rocket launchers are located across the back edge of the hardtop as well. Outriggers, VHF and Nav antennas, Flir camera, radar, and running light mast are located above.

Forward again is the helm station with triple upholstered bucket style seats with tilt away arm rests and bolsters, and the

center seat is electric adjustable. There is an ACR EPIRB mounted beneath the center helm seat. There is a slide out trash receptacle on the port side of the seating console and access to electrical panel and battery switches on the stbd side. The dash incorporates two 18" Garmin Chart plotters and VHF, throttle and shift controls, Yamaha maneuvering joystick, Zipwake trim control, ac discharges, drink holders, stereo control, trim control, Sea Keeper control, fireboy monitor, and all necessary gauges for navigation. A hard windshield is located forward of the dash with electric wiper. Below the deck beneath the helm is a forward machinery space with a drain sump box, AC ducting, battery chargers, hot and cold water manifolds, and hot water heater.

Moving forward of the helm there are port and stbd windows through the hull and windows located in the cabin house as well. An upholstered chaise type lounge seat faces forward with a bench seat in front of it, and bench seating along the port and stbd bow areas with electric fold out backrests. There are 4 rod holders located in the foredeck, a Serious XM antenna puck, and pole mounts for a manual awning.

All the way forward is an anchor locker with a Lewmar electric windlass with a stainless anchor and swivel and fresh and salt water washdown spickets. There is storage for fenders in here as well. There is a storage compartment in the deck all the way forward containing a Revere Commander 3.0 Life raft, 12v battery for the bow thruster, fender mounts, and two foredeck dining table tops with leg.

Moving down 2 steps into the cabin, the sole is dark wood, and to port is an opening cabinet with 2 handheld fire extinguishers and air horns, and a Handheld VHF radio. Mini blinds are located to port and stbd with an opening porthole to port and fixed to stbd. There is a skylight in the overhead as well as recessed lighting. To stbd of the stairs is the main shore power panel with start/stop for gen, circuit breakers, and thermostats for cockpit frig and fish boxes. Forward of the panel is the head with an opening porthole, sink basin, storage cabinet, skylight, shower wand and curtain, ac discharge, and vacuflush head. Opposite to port is a storage drawer with a GE microwave beneath and 110v and USB outlets. On the forward bulkhead there is a Jensen 32 flatscreen tv. Beneath the TV there is a 3-sided settee with a central mounted table that converts into a bed.

Description

HULL FEATURES

Pursuit® Protection Plan:

- 5 Year Hull and Deck Structural Warranty
- 5 Year Blister Free Warranty
- 2 Year Limited Warranty

Pursuit Fresh White Gelcoat and Laminated Hull with Vinyl Ester Resin and Engineered Fabrics

5 Ply Resin Infused Composite Transom System with Patented Transom Reinforcement Grid

Infused Fiberglass Structural Grid System with Molded Finish and Integrated Bilge Water Management

Foam Filled Structural Grid

Bronze Thru Hull Fittings Below Water Line

Gary Goldman gary.goldman@alliedmarine.com

1-954-330-8958

Chrome over Bronze Thru Hull Fittings Below the 7 Degree Heel Line

Stainless Clad Composite Thru Hull Fittings Above the 7 Degree Heel Line

Bronze Garboard Drain

Zipwake Trim Control System

Series S Interceptors, Fully Automatic Pitch and Roll Control

Bow Eye, 5/8" 316L Stainless Steel

Integrated Transom Platform Extensions Outboard of Engines

Boarding Ladder, 3-Step Telescopic, Mounted in Hull Platform

Molded Hull Side Frameless Tempered Glass Windows

Anchor System, Integrally Molded Thru-stem

Dedicated Transducer Location

Forward Hull Compartmentation with One (1) 900 GPH Bilge Pump with Automatic Float Switch

(2) 1500 GPH Bilge Pumps with Electric Float Switches

Bow Thruster, 5.4 HP (4.0kW) with Group 31 AGM Battery, Switch and Fuse

DECK

Hull and Deck Joint: Mechanically Fastened and Thru- Bolted at Cleat Locations

Rub Rail: High Density PVC with Solid 316L Stainless Steel Insert

Transom Cap, 316L Stainless Steel

Molded One Piece Deck and Cockpit Liner with Non-Skid Pattern Area and Overboard Drains

Cleats, 316 Stainless Steel, 10" Pop Up (2) Stern, (4) Spring and (2) Bow

Molded Recessed Hatches with Gaskets

316L Stainless Steel Latches and Overboard Drain Tracks

Flush Mounted Integral Anchor Locker with Fiberglass

Lid including: Vertical Anchor Windlass with Switch at

Helm and Remote at Anchor Locker, 316L Stainless

Steel through Stem Anchor Roller with 8" Mooring

Cleat, Chain Binder, 35lb Stainless Steel Plow Style

Anchor, Self-Righting Swivel, 320' Rode (5/8" 8 Plait

Including 20' of G4 Chain), Fresh and Raw Water Quick

Connect Fittings and a LED Courtesy Light

Self-Draining Cockpit with Molded Water Management and 316L Stainless Steel

Drainage Grates

Bow to Mid-ship Grab Rails, 316L Stainless Steel (Port and Starboard)

Transom Grab Rails, 316L Stainless Steel (Port and Starboard)

Single Level Splashwell Deck with Non-Skid for Athwartship Access

Shore Power Inlet, 316L Stainless Steel

Dockside Fresh Water Inlet

COCKPIT

Molded Forward Bow Seating with Insulated Storage Below

Electric-Actuating Hinged Forward Facing Backrests for Port and Starboard Seats with Clear Passage Forward

Bow Tables (Fiberglass) with Synthetic Teak, Removable Bases and Designated Storage

Bow Sunpad Chaise for Two (2) with Adjustable Backrests, Armrests and Drink Holders

Forward Facing Seating with Adjustable Backrest for

Two Forward of Chaise

Bow Floor Access Hatch with Dedicated Gear Locker/Storage Below Deck (Access to Bow Thruster components)

Custom Cockpit Upholstery with Dri-Fast Foam and Mesh Backing

Full Cockpit Breathable Coaming Bolsters with Dri-Fast Foam

Pursuit Cockpit JL Audio Custom Tuned Entertainment System: JL Media Master 12V Bluetooth® Compatible Stereo System, Premium JL Audio Speakers (8)

Total, (6) 7.7" Exterior and (2) 10" Subwoofers, (2) Amplifiers, Remote at Bow and Ext Antenna

Pursuit Custom Triple Captain's Seats with Dedicated Folding Armrests, Three (3) Articulating Flip-Up Bolsters and Lumbar Support, Center Seat has Fore, Aft

and Vertical Adjustments

Helm Seat Box Content: Slide-out Trash Can Access (Port Side)

DC Panel and Battery Switch Access (Starboard Side)

Bridge/Helm Machinery Access Hatch

Molded Cockpit Entertainment Center with Corian Accents, Molded Sink, Hot/Cold Mixing Faucet, Electric Cockpit Grill,

Top Load Refrigerator/Freezer (11 gallon) with Digitally Controlled Thermostat, Sliding Storage Tray, Hinged Fiberglass Lids, Cutting Board, Dedicated Storage Drawers and 120V Outlet with GFI Protection

Aft Facing Molded Mezzanine Seat with Armrests and Dedicated Storage Below and Secondary Row of Forward-Facing Bridge Seats (2) (Entire Assembly is

Power Sliding Fore/Aft)

Custom Molded Cockpit Table with Dedicated Storage

Folding Transom Seat with Flipping Backrest

(11) Extra Deep Drink Holders, 316L Stainless Steel

Cockpit Machinery Access Hatch

Fresh Water Cockpit Shower with Hot/Cold Mixing Valve and Pull Out Sprayer

Raw and Fresh Water Outlets in Cockpit with Quick Connect Fittings and 25' Coil Hose

Yamaha Electronic Engine Flush Hose Connection

Side Boarding Door, Inward Opening (Port Side)

Side Boarding Door Swim/Dive Ladder Receiver

Side Boarding Platform, Outward Opening, Electrically Actuated (Starboard Side) with Swim/Dive Ladder Receiver

LED Cockpit Courtesy Lights (10) with Waterproof Switch in Cockpit

(10) LED Mid-Level Cockpit Accent Lights, Full Spectrum, with Control Panel

Cockpit Fire Extinguisher Under Gunwale

Bow Seat Cover - Stamoid® Light

Chaise Seat Cover, Front of Console - Stamoid® Light

Entertainment Center and Seat Cover - Stamoid® Light

Aft Facing Cockpit Seat Cover - Stamoid® Light

FISH EQUIPMENT

(12) Rod Holders Total, Stainless Steel, (4) in Gunwale, (4) in Transom, (4) in Bow

Transom Livewells, Lighted Oceana Blue (36 gallons Each) Recirculating and Insulated with Fiberglass Lid and Acrylic Window (Port and Starboard)

Cockpit Tackle Center with Storage for Four Plano Trays and Tackle Drawer (Port and Starboard)

(3) Fish Boxes Totaling 134 gallons

Transom (68 gallon) Insulated, Refrigerator/Freezer with Digitally Controlled Thermostat and Overboard Drain

Cockpit Floor (42 gallon) Insulated, Diaphragm Pump with Overboard Discharge (Port)

Cockpit Floor (24 gallon) Insulated, Diaphragm Pump with Overboard Discharge (Starboard)

Rod Storage, Lockable, Under Port Gunwale for (3) with Custom Embroidered Reel Pad

Rod Storage, Under Bow Gunwale for (2) with Custom Embroidered Reel Pad (Port and Starboard)

Rod Storage, Lockable, in Cabin for (4)

Aluminum Reinforcement Plates and Wiring for Downrigger Installation, Aft Gunwale (Port and Starboard)

ELECTRICAL

UL® Rated Fully Tinned, Color Coded Copper Wire

Custom In-House Built, Heat Sealed, Mechanically Crimped, Color Coded Battery Cables

Custom In-House Built, Electrical Harness with Waterproof Connectors and Chafe Protection

Powder Coated Aluminum, Screen Printed (Front and Back) Battery Switch and Breaker Panel

Bonding System: Thru Hull Fittings Below Water Line, Zinc Anode and Garboard Drain

Eight Battery System: Port Engine (1), Port Center Engine (1), Starboard Center Engine (1), Starboard Engine (1), Electronics (1) (AGM), House (2) AGM) and Bow Thruster (1) (AGM)

40 Amp Newmar Battery Charger for House, Electronics and Bow Thruster Batteries

20 Amp Newmar Battery Charger for Engine Batteries

(2) 12V Outlets, and (4) Dual USB Chargers

One Grounding Bus Bar

Single 240V 50 Amp 60 Cycle Dockside Power Connection

240V 50 Amp 50' Dockside Power Cord with Switch or Wireless Remote Operated Electric Cord Retract Reel

(3) 120V Outlets with GFI Protection

Pursuit Custom 12V and 120V Interior MDP Switch Panel for Cabin Interior Circuits

ELECTRONICS

Garmin Electronics Package:

Dual GPSMAP 8622 18" Screens

Garmin Radar

Garmin Depth and Speed

[1 XSV], Airmar B175M 20 Degree 1KW CHIRP Transducer

GMS 10 Expander,

GSD25 Sounder Module,

Garmin VHF Radio

ACR EPIRB Globalfix V4

Standard Horizon Hand Held VHF HX890 GPS

JL Audio Stereo and Speakers

Yamaha MFDI Interface

Yamaha Joystick Control

Fiberglass Hardtop with Dedicated Radar, Antenna, Outrigger Locations and Grab Rails, 316L Stainless Steel (Port, Starboard and Athwartship)

Hardtop Access/Ventilation Sliding Hatches (Port and Starboard)

Trumpet Horn

Navigation Lights, LED, 2 Mile

Single Windshield Wiper with Washer Control

HELM

Molded Fiberglass Aft Tilting Helm with Instrumentation Visor, Electronics Mounting Surface, Fold Out Fiberglass Footrest/Platform and Safety Lanyard

12V Switch Panel with Illuminated Rocker Switches and Backlit Function

Steering Wheel, 316L Stainless Steel, with Control Knob and Non-Slip Grip on Yamaha Electric Steering Control with Programable Steering Friction

Custom Helm Accents with Upholstery and Blue LED Lighting

Top Load Glovebox (Contains JL Audio USB Port and Wireless Phone Charger)

Custom Grab Rail, 316L Stainless Steel

Bow Thruster Joystick Control

Ritchie® Navigator Compass

Port Fold-down Footrest/Zipwake Trim System Control Panel

JL Audio Media Master Full Function Display

Helm Drink Holders (2) Extra Deep and (2) Regular, 316L Stainless Steel

(1) 12V Outlet and Dual USB Charger (1)

Helm Fire Extinguisher Under Gunwale

Helm Instrument Cover - Stamoid® Light

Helm/Companion Seat Cover - Stamoid® Light

Helm Mechanical Space Access Hatch with Nonskid and Synthetic Teak Accents

CABIN

Molded Acrylic Access Door with Secondary Framed Screen Door and 316L Stainless Steel Locking Latch

Full Fiberglass Cabin Deck Liner

Full Fiberglass Hull Liner with Sound Dampening Insulation

Cabin Entry Steps with Custom Handrail and Wood Treads

Custom Solid Wood Tongue and Groove Floor Accents

Solid Wood Veneers on Interior Cabinetry

Solid Wood Interior Table with Fixed Table Leg, 316L Stainless Steel

Hanging Locker

240V/60 Cycle Cabin Air Conditioning with Reverse Cycle Heat, 8,000 BTU

32" Jensen LED TV with Custom Cabinetry Surround

Forward Berth with 5" Foam Cushions and Filler

Removable Settee Backrests with Outboard Storage and Indirect Accent Lighting (Port and Starboard)

Vista View Forward Console Side Windows (Port and Starboard) Allow Sightlines through Hull Side Windows

Aft Console Side Windows (Port and Starboard) with Integrated Flush Portlights

Custom Window Trim with Accordion Style Blinds

Interior Rod Storage, Head Bulkhead (2) and Starboard Side (2)

Overhead Skylight with Custom Upholstered Accent

(1) 12V Outlet, Dual USB Charger, (3)

Companionway Switch Panel

Accent Floor Lights, Two (2)

Overhead LED at Companionway

(4) Overhead LED at Berth

(3) Indirect Strip Lighting

Storage Drawer with Integrated Prep Surface

120V Microwave Oven (1.1 cu. ft.)

120V Outlet with GFI Protection

CO Monitor

Handheld Fire Extinguisher

AC Distribution Panel

(6) West Marine Life Jackets

HEAD

Fiberglass Private Head Compartment with Non-Skid Pattern Area

Corian® Countertop with Sink, Hot/Cold Faucet and Storage Cabinet Below

Vacuum Flush Elongated Marine Head with 22 Gallon Holding Tank, Macerator Discharge Pump, 316L Stainless Steel Deck Pump-out Fitting and Bronze Thru

Hull Fitting with Seacock

Fiberglass Toilet Seat Cover

Upper Vanity Mirror

Toilet Tissue Holder

Towel Rack

Shower Sump Box Drain with Automatic Discharge Pump

Shower with Hot/Cold Mixing Valve and

Shower Wand

Tempered Glass Console Side Window with Vented Portlight and Privacy Screen

120V Outlet with GFI Protection

Two-Switch Panel with Overhead LED Lights, (3) and Floor LED Accent Light (2)

Head Door Gear Hook

Shower Curtain with Storage Cover

AFT MECHANICAL SPACE

Seakeeper 6 Gyro Stabilizer: Includes Comprehensive Structural Integration, Seakeeper Factory Certified Installation

Molded Interior White Gel Coat

Molded Hatch with Gasket and Stainless Steel Gas Spring

Molded Bilge Sump Area

Mechanical Space Access Steps (Port and Starboard)

(1) 1500 GPH Bilge Pump with Electronic Switch and (1) 1500 GPH Pump with High Water Electronic Switch and Alarm with Stainless Steel Clad Composite

Thru Hull Fittings

Raw Water Pump with Inline Filter, Seacock and Thru Hull Fitting

Livewell Cyclone Pump with Bronze Sea Strainer, Seacock and Thru Hull Fitting (Port and Starboard)

Dedicated Fish Box Diaphragm Evacuation Pumps

Dedicated Storage for Side Door/Platform Boarding

Dive Style Telescoping Ladder

Dedicated Storage for 12 lb. Fluke Style Anchor with 30'

of 1/2" 8-plait Line and Poly Storage Rack

Dedicated Storage for 5 Gallon Bucket

Battery Service Slide System, 316L SS (Port

and Starboard)

FWD MECHANICAL SPACE

(1) Low Profile 900 GPH Bilge Pump with Integrated Float Switch, with Stainless Steel Clad Composite Thru Hull Fitting

Fresh Water Pressure Sensing Pump with Filter

FUEL SYSTEM

EPA Compliant 547 Gallon Aluminum Fuel Tank with Engine Pickups, Shutoff Valves, Digital Level Indicator, and Deck Fuel Fill Plate (Port Side)

Custom Built Premium Fuel Feed Lines with Mechanically Crimped Fittings

(4) Yamaha® Water Separating Fuel Filters with Primer Bulbs

WATER SYSTEM

EPA Compliant 547 Gallon Aluminum Fuel Tank with Engine Pickups, Shutoff Valves, Digital Level Indicator, and Deck Fuel Fill Plate (Port Side)

Custom Built Premium Fuel Feed Lines with Mechanically Crimped Fittings

Four (4) Yamaha® Water Separating Fuel Filters with Primer Bulbs

RECENT REPAIRS AND UPGRADES

9/6/23 New AC raw water pump, supply line, and PVC elbow

10/1/23 Hull Waxed, All New Trim Cylinder Pistons, Old Cable System Sliding Aft Seat Replaced With New Hydraulic Version.

10/9/23 New Bottom Job.

10/16/23 Annual Sea keeper Service Done. (158 Run Hrs). New Sea Keeper Raw Water Pump

10/25/23 New Rule 900 GPH Bilge Pump and Float Switch Installed.

10/26/23 New Cummins/Onan 7.5 Generator Installed
