## Summary/Description

Preliminary listing with manufacturer photos. Full description and photos to come!

This 90 Riva has been recently traded to Ferretti Group for a larger Riva.

She is hull #15 from the successful 90 Riva Argo series built at the Ferretti Group- Riva shipyard in La Spezia, IT.

Inside, you will find a refreshing light oak interior, which is unique and different from the rest of the 90 Argo production. You and your guests will be welcomed by a total of 5 cabins with the primary stateroom located on the main deck.

You and your guests will also be comfortable at sea, thanks to the Stabilizing fins and two SeaKeepers equipped on board.

Proven by the low engine hours, Hull #15 was lightly used in Miami waters and professionally maintained by its full time crew. The exterior is painted with a perfect combination of regal silver and bright black details.

Included in the sale are a Williams 395 Sport Jet Tender and a Sea- Doo RXT-X

Easy to show at the Ferretti Group Showroom in Fort Lauderdale.
