

Vida Loca

38' (11.58m) 2018 Riva Rivamare
Miami Beach Florida United States

OVERVIEW

Manufacturer:	Riva	Hull Material:	Fiberglass
Engines:	2 Volvo Penta	Cruise Speed:	31
Engine Model:	D6-400	Max Speed:	40
Engine HP:	400	Cabins/Heads:	1 / 1
Beam:	11' 5"	Fuel Type:	Diesel
Max Draft:	3' 9"	Fuel:	264 G (999.35 L)
Water:	87 G (329.33 L)		

\$699,000

Data Sheet

Category: Cruisers

Condition: Used

Model Year: 2018

Beam: 11'5" Max Draft: 3' 9" LOA: 38'
(11.58m)

Cabins: 1

Heads: 1

Maximum Speed: 40 Cruise Speed: 31

Fuel Type: Diesel

Hull Material: Fiberglass

Displacement: 25353 Fuel Tank: 264 gal
(999.35 liters)

Fresh Water: 87 gal (329.33 liters)

HIN/IMO: XFARRM31E818

Engines/Generators

Engine 1

Volvo Penta

D6-400

Inboard

400HP

Fuel: Diesel

Hours: 160

Engine 2

Volvo Penta

D6-400

Inboard

400HP

Fuel: Diesel

Hours: 160

Summary/Description

The 38' Riva is Hull #31 of the highly successful Rivamare series. Call today for more details and to arrange a private viewing.

2018 38' Riva Rivamare "Vida Loca"

The 38' Riva is Hull #31 of the highly successful RIVAMARE series.

Some of Vida Loca's highlights can be found below:

- Beautiful Shark Grey hull color
- SeaKeeper Gyro Stabilizer
- Varnished mahogany interior
- Garmin electronics
- Bow Thruster
- Joystick for easy maneuverability
- Upgraded 6 KW Generator

- Electric blinds for lower deck
- Up-down table for lower deck dinette with cushions to complete dinette
- Timber gloss varnish mahogany
- Maple-seamed mahogany in cockpit and central walkway towards the stern with anti-slip/gloss varnish
- Transport Hood
- Electric Bow Thruster
- Side Underwater Lights (2 per side)
- Underwater Lights on transom
- Bottle rack/refrigerator in lower deck dinette
- SeaKeeper NG5 Gyro Stabilizer
- Automatic Trim System
- Wired remote control with bow digital chain counter
- Pilot station monitor: 16" Upgrade
- Premium Sound Pack: upgrade of 2 x cockpit speakers (4 x total) and upgrade to HQ
- TV in lower deck dinette (32") with terrestrial aerial, DVD/Blu-ray player, and Apple TV
- Beach area in teak with grey caulking
- Fiberglass Sea Bob/storage compartment (to starboard)

- Autopilot integrated in navigation system with driving mode joystick system upgrade
- Pilothouse seat: Footrest installation
- Lower deck air conditioning
- Onan 6 KW Generator Upgrade (from 4 KW standard)
- Shore power socket 50-amp - 120/240V
- Galvanic Isolator 50-amp
- Microwave Oven
- Additional icemaker in lower deck galley area
- VHF Garmin in main helm

HULL AND DECK

- Access to the swimming platform with fiberglass steps covered in anti-slip mahogany and stainless steel edge
- Adjustable searchlight in chromed brass on windshield
- Aft sundeck handrail in solid glossy painted mahogany, with polished stainless steel ends (2)
- Bow Watertight Bulkhead
- Central and lateral fiberglass hatches upholstered for sunshade storage
- Concealed stainless steel manual swimming ladder on stern hatch
- Details in glossy painted mahogany
- Drainage Scuppers
- Electric anchor winch 1000W 12-volt with control from the helm station and bow control
- Electro-hydraulic stern fiberglass hatch laid in mahogany inside, to create a beach area
- Fiberglass hatch for aft storage area (2)
- Fiberglass forepeak inspection hatches
- Fiberglass stern platform covered in anti-slip painted mahogany
- Flag Pole
- Freshwater Chrome Inlet
- Fuel Chrome Inlet
- Horizontal stainless steel handrail on the stern hatch stair
- Horn covered with a vintage-style stainless steel cover and mahogany flagpole at bow
- Hull Antifouling Coating
- LED lights on stern hatch steps (3) and deck steps (3)
- Painted Boot Stripe
- Polished stainless steel air inlet covers (2)
- Polished stainless steel bow defense with integrated hawse
- Removable and foldable cushion to be used to open stern hatch (2)
- Removable Fender Hooks (6)
- Side rub rail in solid mahogany
- Stainless steel anchor with galvanized steel chain
- Stainless steel bow fairlead
- Stainless steel buckle for fender holder pins (8)
- Stainless steel cleats: (2) at bow, (2) at mid-ship and (2) at stern
- Stainless steel deck accessories
- Stainless steel rub rail
- Stern compartment with hatch housing shore electric supply (port side)
- Stern compartment with shower unit and mixer tap (starboard side)
- Stern sunpad with upholstered cushions with plexiglass glass holders
- VHF Antenna

HATCHES AND WINDOWS

- Access hatch in the cockpit for technical and systems area
- Curved laminated glasses with stainless steel frame on the bow deck
- Fiberglass sliding access door to lower deck with lock
- Lateral laminated glass windows
- Stainless steel and laminated curved glass windshield

COCKPIT

- Concealed electro-hydraulic fabric sunshade with stainless steel bows; applicable transparent canvases, (1) front, (2) lateral
- Cover from windscreen to stern with possibility to access cockpit
- Fiberglass co-pilot seat furniture with: integrated ice basin and rubbish recycling drawer
- Fiberglass pilot seat furniture with: integrated wash basin, cold water tap, corian plate, drawer fridge, and bar drawer
- Fiberglass flooring with non-slip surface
- Fire Extinguisher
- Hatches with electric pistons for engine inspection under sunpad (2)
- LED Spotlights (5)
- Living area with sofa with upholstered cushions, underneath storage for life raft and shoes storage drawer
- Self-Draining Cockpit
- Stainless steel handrail wheelhouse area (2) with mahogany insert
- Stainless steel table with glossy coated mahogany folding top with plexiglass glass holders
- Watertight loudspeakers (2) connected to the HI-FI system

HELM STATION

- Emergency activation/shutoff panel in “shut-down” unit (engines, generator, and extractors shut down in the engine room) with cylinder status gauge
- Engine and trim electronic controls
- Engine oil pressure gauge
- Engine rev counter
- Engine room high temperature acoustic alarm
- Engine water temperature gauge
- Glass Cockpit with function: GPS antenna, chart plotter, depth sounder, engine monitoring, fuel consumption, trim & interceptors, helm, level water tank and fuel tank, and control audio system
- Object holder with mahogany bottom on the right
- Removable navigation light mast and anchor light
- Upholstered seat with manually folding seat, padded headrest (3)
- USB Socket 12-volt
- Varnished fiberglass helm station with carbon panels and upholstered areas with covered steering wheel, magnetic compass, various controls and alarm lights
- VHF radio telephone with DSC

GALLEY

- Bulkheads in wood
- Carpet Flooring
- Concealed induction cooking top
- Corian worktop concealed in the unit with incorporated wash basin and foldable mixer tap
- Electric Outlet 230-volt
- Fridge 65L

- Furniture in wood with on the top, shelves equipped for dishes, glasses and coffee machine, on the bottom, the electrical panel
- Lacquered ceiling LED spotlights
- Plexiglass hatch on ceiling
- Stainless steel handrail and wood stairs with stainless steel edge, lacquered steps with indirect strips led to access the below deck
- Wood furniture with indirect LED light and wall units in wood

DINETTE

- Bow bulkhead in mirror
- Carpeted Flooring
- Curtain manual ceiling with shielded / blackout function to the glass on the deck (2) and LED panels in the middle
- Cushions (3)
- Drawer under the sofa
- Electric Outlet
- Fire Extinguisher
- HI-FI system connected to loudspeakers in cockpit
- Lacquered and upholstered ceiling
- Lacquered Locker
- Lateral glass housing with blinds and indirect strips led
- Leather upholstered V-sofa
- Loudspeaker connected to the HI-FI system (2)
- Stainless steel handrail with mahogany insert
- Storage area under the sofa and under the floor

BATHROOM

- Bathroom accessories
- Black water tank level indicator integrated in the toilet control panel
- Bulkheads and furniture in wood or lacquering
- Corian sink with mixer tap
- Electric ceramic toilet/bidet
- Electric Extractor
- Electric Outlet
- Lacquered Ceiling
- Lacquered locker with mirror
- Lateral glass housing with blinds
- LED Lighting
- Mirror
- Plexiglass hatch on ceiling
- Shower cubicle separated by glass
- Door with polished stainless steel frame and Corian shower floor
- Wash basin top in Corian
- Wooden floor
- Wooden cabinet under wash basin

ENGINE ROOM

- Twin Volvo D6-400 (400 HP) Diesel Engines
- Air Inlets (2)

- Electric Outlet
- Engine room and technical area temperature alarm sensor
- Fuel tank 1000lt with visual level
- Fuel/water separator filters with alarm
- Light alloy anti-skid flooring
- Lighting 12-volt
- Water-on-board alarm sensor

SYSTEMS

- Air extraction system in the engine room with electric fans (2)
- Automatic extinguisher FM200 (2) in engine room and in systems room with external control
- Bilge discharge system with (3) manually and automatically controlled immersed electro-pumps and one manual pump for emergency operation
- Black water discharge system with a 38 liter holding tank and pump
- Chain freshwater washing system
- Device for remote closure of the engine and generator fuel supply valves controlled by the fire fighting system
- Engine cooling with seawater
- Fresh water system autoclave with electronic control 12-volt
- Freshwater PE tank 330 liters
- Freshwater System
- Grey water discharge system with a 42 liter holding tank and pump
- Hot water system with 30-liter boiler
- Trim tabs system (intruders)
- Valves and electro-valves fuel interception for engines and generator
- WC system with freshwater flush

ELECTRIC SYSTEM

- 230-volt outlets in various areas
- Automatic Battery Charger
- Auxiliary service battery set
- Battery switches, services and engines
- Bonding system with porous copper plate
- Cathodic protection with anodes
- Engine Battery Set
- Onan 6 KW (upgrade) with soundproof box, exhaust gas, and cooling water separator
- Lighting 12-volt
- Manual battery switch for generator
- Panel Switches
- Parallel battery for engine start-up
- Parallel battery for service/auxiliary service
- Service Battery Set
- Tanks level monitoring (fuel and fresh water)
- USB socket 12-volt in wheelhouse and lower deck area
