Summary/Description

Meticulously Maintained vessel that is lift kept, with full mooring cover and cared for by knowledgeable owners!

Cushioned seats at the bow, a dual-armchair seat in the front of the console, an ergonomic helm that converts from bolsters to elevated seats, and a triple-wide bench at the transom (arguably the most comfortable seats on the boat) all ensure passenger comfort.

The above amenities complement to 275's wide range of meticulously engineered features, such as the nearly indestructible foam-filled hull, hydraulically articulated safety-glass windshield and integrated hardtop with life jacket stowage. Other highlights include strategically placed storage spaces for holding lots of gear, a tackle station in the cockpit, and a commodious head in the console.
