MEET THE IDEAL BAHAMAS BOAT FOR A COUPLE

If you're looking for a fast boat that you can take to the Bahamas without spending all day getting there.

She is Powered by twin MAN 1550 HP V-12 engines she will cruise at 40 m.p.h. and has a top speed of 50 m.p.h.

Designed by Pershing shipyard she has a range of 300 miles and can take you from South Florida to the Bahamas in only a few hours, not all day like most cruising which means you'll be able to get into some of the really exciting places to visit those yachts with 6'-8' draft cant get to.
