Data Sheet

Category: Cruisers

Condition: Used

Model Year: 2021

Beam: 14' (4.27m)

Max Draft: 13' 1" (4.00m)

Min Draft: 10' (3.05m)

LOA: 48' (14.63m)

LWL: 42' (12.80m)

Cabins: 2

Heads: 2

Maximum Speed: 40 Knots

Cruise Speed: 35 Knots

Fuel Type: Diesel

Hull Material: Fiberglass

Displacement: 54013 lbs

Fuel Tank: 476 gal (1801.86 liters)

Fresh Water: 82 gal (310.4 liters)

HIN/IMO: XFARRD10C121

Engines/Generators

Engine 1

Volvo

D13

Inboard

1000HP

745.70KW

Fuel: Diesel

Hours: 125

Location: Port

Engine 2

Volvo

D13

Inboard

1000HP

745.70KW

Fuel: Diesel

Hours: 125

Location: Starboard

Summary/Description

Riva's inspiring creation is a 48' open yacht conceived for on-board living in consummate comfort. Futuristic design and all the heritage of a legendary yard come together in a single word: Dolceriva

ONLY 175 HOURS!!

***Lightly used, only in summer months**

***Has the preferred hard top version and custom painted radar has been added**

***Beautiful shark grey paint**

Standard Equipment

HULL AND DECK

- Access to the transom area with fiberglass steps (one covered in anti-slip painted mahogany)
- Aft sundeck handrail in solid glossy coated mahogany, with polished stainless steel ends (2)
- Bow watertight bulkhead Carbon carbon look finishing air inlet covers and stainless steel perimeter (2)
- Concealed stainless steel electro-hydraulic gangway with automatic stanchions and teak flooring
- Concealed stainless steel manual swimming ladder on stern hatch
- Details in glossy coated mahogany
- Drainage scuppers
- Electric anchor winch 1500W 12V with control from the helm station and bow control
- Electric bow thruster 8,7hp
- Electric winch for stern warping 1000W 24V with button control
- Electro-hydraulic stern fiberglass hatch laid in teak inside, to create a beach area
- Fiberglass side hull rub rail in gelcoat Ice White color finish with glossy coated mahogany top
- Fiberglass deck in Ice White gelcoat color, cockpit with anti-slip finish floor and bow area covered with glossy coated mahogany top
- Fiberglass forepeak inspection hatch covered with glossy coated mahogany top (2)
- Fiberglass hull with Ice White color finish
- Flag pole Fresh-water inlet chromed brass (portside)
- Fuel inlet in chromed brass (stbd side)
- GPS antenna Integrated in the helm monitor
- Hatch for aft storage area under stern fiberglass hatch (2)
- Horn
- Hull antifouling coating
- Painted boot stripe
- Removable and foldable cushion to be used with open stern hatch (2)
- Removable fender hook (6)
- Removable navigation light and anchor light mast
- Running lights and anchor lights

- Stainless steel anchor 22Kg with ø8mm 75m galvanized steel chain
- Stainless steel bow defense
- Stainless steel bow protection
- Stainless steel cleats: (2) at stern, (2) at midships and (2) at bow
- Stainless steel deck accessories
- Stainless steel fairleads at bow and stern
- Stainless steel rub rail
- Stainless steel stern mooring area cover (2)
- Steel buckle for fender holder pin (4 each side)
- Stern compartment with stainless steel hatch housing shore electric supply
- Stern compartment with stainless steel hatch housing shower unit and mixer tap, freshwater tap for deck wash and freshwater shore connection
- TV antenna
- VHF antenna
- Vintage-style stainless steel casting cover and mahogany flag pole at bow

HATCHES AND WINDOWS

- Access hatch to storage area from the cockpit
- Curved laminated glasses with stainless steel perimeter frame on the bow deck
- Engine room access hatchway from the cockpit
- Interior doors with stainless steel handle and threshold
- Lateral laminated glass windows with integrated stainless steel and glass portholes
- Sliding access door in stainless steel and laminated glass to below deck areas with lock
- Sliding access door in stainless steel and laminated glass with metallic net inside with handle to bow cabin
- Stainless steel and laminated curved glass windshield
- Wipers with built-in washers and timer (2)

COCKPIT

- Cockpit cover with access at stern
- Concealed electro-hydraulic fabric sunshade with stainless steel bows; applicable canvases, (1) front, (2) lateral
- Fiberglass copilot seat furniture with: integrated ice basin, Corian chopping board, integrated wash basin, cold water tap, rubbish recycling storage and drawer fridge 35lt
- Fiberglass flooring with non-slip surface
- Fire extinguisher
- Icemaker
- LED lighting
- Port sofa with upholstered cushions
- Stainless steel and carbon look handrail in copilot area
- Stainless steel table with glossy coated mahogany folding top with plexiglass glass holders
- Starboard sofa with upholstered cushions, with housing for life raft and at bow storage area access
- Stern sunpad with upholstered cushions (2)
- Watertight loudspeakers (2) connected to the Hi-Fi system

HELM STATION

- Acoustic alarm for water in bilge
- Automatic pilot with rudder angle gauge interfaced with plotter/GPS
- Electric bow thruster control panel
- Electric steering system
- Emergency activation/shutoff panel in "shut-down" unit (engines, generator and extractors shut down in the engine room) with cylinder status gauge
- Engine and reverse gear electronic controls
- Fiberglass flooring with non-slip surface
- Fiberglass helm station, covered steering wheel, complete engine instrumentation, magnetic compass, controls, alarms
- Fire detection alarm in engine room, cabins and bow thruster locker
- Fuel filters water alarm
- Glass Cockpit with function: GPS antenna, chart plotter, depth sounder, engine monitoring, fuel consumption, trim & interceptors, rudder, water tank and fuel tank level and audio system control
- Navigation lights panel with faulty lights test, emergency wipers control, bilge pumps control
- Portside storage with stainless steel perimeter edge
- Transponder engine key (2) Upholstered seater pilot unit with manual foldable seat
- USB socket
- VHF radio telephone with DSC
- Windscreen washer-wiper control

LOUNGE

- Aft hull windows with sliding glass cover
- Aft open shelving in essence
- Carpeted flooring
- Ceiling upholstered with fabric with lacquering and sole leather areas
- Cushions 40x40cm (2)
- Electric outlet
- Hi-Fi system
- Leather covered ottoman with storage compartment and glossy lacquered base with stainless steel details and leather cushion
- Leather sofa with wood base
- LED lighting
- LED TV 43"
- Low wooden cabinet with sole leather top and stainless steel perimeter
- Porthole housing with hull window and Venetian aluminum blinds
- Staircase with handrail and carpet steps with polished stainless steel edge and courtesy light to lower deck
- Wardrobe with mirror door and courtesy light inside
- Wooden bulkheads with leather areas
- Wooden wall units

GALLEY

- Ceiling upholstered with fabric with lacquering
- Combined refrigerator
- Concealed Corian worktop in the unit with incorporated wash basin and mixer tap
- Concealed induction cooking top

- Corian flooring
- Electric outlet
- Extractor hood with direct outboard discharge
- Fire extinguisher
- Lacquered bottom furniture
- LED lighting
- Microwave oven
- Porthole housing with hull window and Venetian aluminum blinds
- Wooden and glossy lacquered bulkheads
- Wooden wall units with light for galley top

MASTER CABIN

- Bed frame upholstered in leather
- Carpeted flooring
- Ceiling manual curtain with shielding/blackout function to the glass on the deck
- Ceiling upholstered with fabric with lacquering
- Cushions 40x40cm (2) Double bed with mattress, pillows, bedspread and pillow covers
- Electric outlet
- Fire extinguisher Headboard upholstered in sole leather with integrated mirror
- Lacquered drawer under the bed
- LED lighting
- Mini Hi-fi Porthole housing with hull window and Venetian aluminum blinds
- Sheets and pillow cases set Side headboard lacquered open shelving
- Varnished bed base and steps
- Wardrobe with mirror door and courtesy light inside
- Wood nightstand with sole leather top and lacquered perimeter (2)
- Wooden bulkheads

OWNER BATHROOM AND DAY HEAD

- Bathroom accessories (towel rail, soap holder, bathrobe hanger (2), toilet paper holder, toilet brush holder and glass for toothbrushes)
- Black water tank level indicator integrated in the toilet control panel
- Corian flooring
- Corian sink with mixer
- Corian washbasin top
- Electric ceramic toilet/bidet
- Electric extractor
- Electric outlet
- Lacquered ceiling
- Lacquered unit under wash basin
- LED lighting Mirror with polished stainless steel perimeter
- Porthole housing with hull window and Venetian aluminum blinds
- Set of towels (2)
- Shower unit with glass door and steel sections, glossy lacquered walls and Corian bench
- Wooden and glossy lacquered bulkheads
- Wooden wall units

GUEST CABIN

- Bed frame upholstered in leather
- Carpeted flooring
- Ceiling upholstered with fabric and lacquering
- Cushion 40x40cm (2)
- Electric outlet
- Extinguisher
- Headboard upholstered in sole leather with integrated mirror
- LED lighting
- Mini Hi-fi
- Open shelving in essence (amidship)
- Open shelving under hull window covered in sole leather
- Porthole housing with hull window and Venetian aluminum blinds
- Set of sheets and pillow case (2)
- Set of towels (2)
- Single bed (2) with mattress, pillows, bedspreads and pillow covers
- Wardrobe with mirror door and courtesy light inside
- Wood nightstand with sole leather top and stainless steel perimeter
- Wooden bulkheads

ENGINE ROOM

- Air inlets (2)
- Electric outlet
- Engine cooling water filters (2)
- Engine gas outlets with mufflers and silencers
- Engine room fire detection alarm sensor
- Fiberglass fuel tank holding 1800lt with visual level
- Freshwater tap for topping up and cleaning
- Fuel-water separator filters with alarms
- Light alloy antiskid flooring
- Lighting
- Stainless steel ladder to access engine room
- Water-on-board alarm sensor

SYSTEMS

- Air conditioning and heating system
- Air extraction system in the engine room
- Automatic FM200 extinguisher in engine room with external control
- Bilge discharge system using main engines suction in the event of an emergency (2)
- Bilge discharge system with immersed electric pumps with automatic controls
- Black water discharge system with a 120lt centralised holding tank and pump, deck connection for tank pumping out
- Centralized bilge discharge system connected to multifunction pump with switch for each area
- Chain seawater washing system
- Device for remote closure of the engine and generator fuel supply valves controlled by the fire fighting system

- Electric steering system
- Fresh water system autoclave with electronic control 24V
- Fresh water water tank 310lt
- Freshwater system
- Fuel interception electro valves for engine and generator power supply
- Grey water discharge system with holding tank and electric pump
- Hot water system with 30lt boiler
- Trim stabilizers (interceptor)
- WC system with freshwater flush

ELECTRIC SYSTEM

- 120V outlets in various areas (double)
- Automatic battery charger (2)
- Battery parallel for starting up engines
- Battery switches
- Bonding system with porous copper plate
- Breaker box
- Carling Switch 50A for 240V shore supply
- Cathodic protection with anodes
- Engine battery set (2)
- Galvanic isolator 50A
- Generator 13.5kW 60Hz with soundproof box, exhaust gas and cooling water separator
- Generator battery
- Ground fault interrupters 120V - 6mA
- Hatch control sensor
- Lighting 24V
- Manual battery switch for generator
- Service and auxiliary service battery sets
- Shore power connection with cable 50A 120/240V 60Hz
- Shore power ground fault interrupter 50A-30mA
- Switch panel
- Voltage reducer for VHF 24/12V, mini hi-fi, Nmea2000

SAFETY EQUIPMENT

- Floating luminous buoy
- Inflatable life jacket (10)
- Life raft for 10 people
- Life ring with floater
