## Summary/Description

2008 48' Sea Ray Sundancer "Savarona"

### 2008 Sea Ray 48' Sundancer "Savarona"

When you board the 480 Sundancer from the over-sized teak hydraulic swim platform, the transom boast 2 speakers pointed towards the water that play music while you are enjoying the water or the beach. Access the full teak cockpit through the port side transom door. Immediately to port is a large counter top that features a stainless-steel sink with refrigerator, storage, and trash receptacle below. There is a TV mounted on top of the counter top for entertainment. To starboard is a J-shaped seating complete with massive teak cockpit table.

Moving forward, to port is a very comfortable over-sized lounge. The boat has the upgraded captain's seats that you can adjust independently to your desired position. Located in the forward starboard portion cockpit is the helm station equipped with electronics such as Twin Raymarine E120, Garmin Autopilot, Color Smart Craft Vessel View display, hydraulic power steering with tilt wheel, electronic shift/throttle controls, and bow thruster.

Centerline forward, there are 4 teak tread steps leading down to the over-sized salon. To starboard is the L-shaped sofa with pull-out bed, storage cabinets, movable dinette, and entertainment center located in the aft portion of the salon. It is equipped with gaming system port, MP3 port, stereo, Fusion AM/FM stereo, and flat screen TV (mounted on upper cabinet for better viewing/storage). To port is the galley with lots of great storage. It offers solid surface counter top with stainless steel sink, wood galley flooring, single lever faucet, Norcold refrigerator, and Tappan combination microwave/convection oven/grill. Both the port and starboard sides have over-side port lights with blinds. The entire area is outfitted with recessed lighting.

Entry to the VIP stateroom is via a solid door in the aft port corner of the salon. The main distribution panel is located to port just before entering this stateroom. The VIP features (2) single berths (that can be pushed together to make a double berth), hanging locker with lights and shelves, port light, air conditioning unit, a vanity with sink and nice storage line the port side of this stateroom and a head with shower are located all the way in the aft port corner of the stateroom. From the galley/salon area, forward is the master stateroom. It has a double berth, storage lockers, mirrored head board, entertainment center, port lights, sun roof with cover, and side lights. This stateroom offers a split head. To port is the head with Vacu-Flush, stainless steel sink, and vanity storage while to starboard is a massive shower.
