48' (14.63m) 2022 Wally 48X Wallytender
Huntington New York United States

OVERVIEW

Manufacturer: *Wally*
Engines: 2 Mercury Verado
Engine Model: V8
Engine HP: 450
Beam: 17' 7"
Max Draft: 8' 0"
Water: 63 G (238.48 L)

Hull Material: Fiberglass
Cruise Speed: 36 Knots
Max Speed: 54 Knots
Cabins/Heads: 1 / 1
Fuel Type: Diesel
Fuel: 739 G (2797.42 L)

\$1,290,000

Fuel: Diesel

Hours: 175

Location: Starboard

Summary/Description

48X Wally 2022 "Our Trade"

Powerful outboard version of the stylish 48wallytender day-cruiser.

Thrilling performance combined with unparalleled comfort and innovative design features.

Quiet and smooth ride with the four Mercury Verado V8 450R (totaling 1.800 HP) providing a top speed of 55 knots, very low consumptions (320nm range at 40 knots up which can extend to 350nm at 36 knots), and easy maintenance.

Engines uniquely split to the flanks of the boat, with two on each side, allowing the installation of the retractable hydraulic boarding passerelle/swim ladder to enable direct and easy access to the water or the shore.

With tilting outboards, the minimum draft to cruise with engines lifted can be reduced to 2 feet 4 inches (70cm) at full load.

Standard fold-down bulwark sections, full living deck with dining table for up to eight people catered by the equipped galley, air-conditioned large interiors and en-suite with separate shower, augmented deck storage, special anchoring system operated at the touch of a button from the helm station, optional gyroscopic stabilizer.

Factory Options

- Hull and deck painting metallic color Siberian White
- WALLY waterproof cover for console, seating and sunbeds
- Berthing package (n. 6 fender with ropes, n.4 ropes (2x12m, 2x24m))
- Removable shower bar on stern platform
- Cockpit multitouch screens upgrade 16" display SIMRAD (2)
- Inverter - Mastervolt AC Master 12/2000 V, 120 V electric inside cabin and bathroom (3) and on deck (1)
- AIS (Automatic Identification System) Class B
- 43" TV in bathroom wall
- Microwave oven
- Kohler 60Hz 11kW generator
- Icemaker on deck

- Search light 24V electrically controlled
- Premium sound pack (n. 8 JL speakers plus control on deck)
- Seakeeper 6 gyro stabilizer
- Underwater RGB lights
- Air conditioning for interior accommodations
- Spradling Valencia terracotta external upholstery
- Spradling Valencia terracotta pilot seat upholstery
- Generator Racor filter
- T-Top painted black
- Engine painted as hull color: Siberian White
- Aft Bimini with carbon poles
- Canvas package

Standard Equipment

HULL AND DECK

- Access GRP hatch to anchor locker
- Aft doors for closing the platform with engines on
- Anchor chain (50m, \varnothing 8mm)
- Anchor system concealed in the bow and operated by an electric windlass by local wired remote control and from helm station
- Backlit stainless steel logo on the stern
- Bench for passenger with storage underneath
- Black water pump out cap
- Carbon fibre handrail beside helm and on hard top supports
- Cockpit with windshield in plexiglass, steering console and sliding door to the cabin

- Removable and foldable cushion to be used with closed stern hatch (2) and underneath storage
- Retractable mooring cleats: aft (2), amidship (2) and forward (2)
- Self-draining cockpit
- Shore power deck connection 32A 120V 60Hz with cable
- Stainless steel anchor 15Kg
- Stainless steel bow defense with GRP cover
- Stainless steel deck accessories
- Stern compartment with shower unit and mixer tap, shore power socket and fresh water intake
- Strip LED courtesy lighting on bow sun area step, midship and cockpit steps
- Teak Covered GRP flooring, bow and aft sun area included
- Teak covered GRP stern platform
- Teak deck with black caulking
- Teak foldable table with carbonfibre support
- VHF antenna (2)
- Waterproof hatches for storages under bow sun area, under pilot seat and technical locker in cockpit
- Watertight loudspeakers in cockpit connected to the stereo (2+2)

HELM STATION

- Dashboard with screens supports, carbon-look panels and backlit buttons
- Electrohydraulic steering
- Electronic throttle
- Engine and service batteries voltmeter
- Engine button keyless system
- Engine oil pressure alarm
- Engine water temperature alarm
- Fuel and fresh water tanks level
- Horn
- Joystick docking system
- Magnetic compass
- Navigation system SIMRAD 10" multifunction touch display, integrated depth sensor and GPS (same unit used as engine display)
- USB socket 12V
- VHF SIMRAD wireless
- WALLY custom steering wheel in carbon fiber clear coat finishing

LOWER DECK

CABIN

- Amidship full beam storage area accessible lifting the entrance stairs

- Bow bulkhead with mirror
- Bulkhead and furniture in wood
- Carbon look flooring
- Carbon-look stairs to lower deck
- Ceiling integrated lighting with LED bar
- Ceiling perimetral courtesy lighting with strip LED
- Double bed with foam mattress and fabric case
- Electric outlet (4)
- Furniture with black corian working top, refrigerator and storage area
- Lacquered and upholstered ceiling
- Loudspeaker connected to the stereo 6" (2)
- Manual blackout curtain and mosquito net for hatch
- Marine stereo with loudspeakers (2)
- Reading lights (2)
- Seating with cushion and storage behind backrest
- Sliding access door to lower deck

BATHROOM

- Black Corian wash basin top
- Black water tank level indicator integrated in the toilet control panel
- Cabinet under washbasin
- Carbon look flooring
- Ceiling LED strip
- Central showerhead
- Deck portlight with frosted glass
- Electric flush toilet carbon look
- Electric outlet
- Hook (2)
- Lacquered bulkheads and furniture
- Lacquered ceiling
- Mirror on hull side
- Shower cubicle with clear glass door and side black corian seat
- Shower with mixer
- Toilet brush holder
- Towel rail
- Washbasin with mixer tap

ENGINE/SYSTEM ROOM

- Aluminum fuel tank (2)
- Fuel dual filters RACOR

- Fuel valves with safety cut-off
- Full access hatch hydraulically operated
- Lighting
- Petrol engines Mercury Verado 450hp (4)
- Technical area temperature alarm sensor
- Thermo-acoustic insulation
- Wooden flooring with antiskid

ELECTRIC SYSTEM

- 12V outlet and USB in helm station
- Bonding system with porous copper plate
- Breaker box
- Cathodic protection with zinc anodes
- Electrical system 120/240V 60Hz
- Engine and service battery charger
- Engine start batteries maintenance free AGM (8)
- Galvanic isolator 50A
- Ground connection for sea water intake and railings
- Ground fault interrupters 120V 6mA (bathroom, cabin, engine room)
- Lighting 12V
- Manual battery switch for generator and engines
- Parallel battery for engine start-up
- Parallel battery for service/auxiliary service
- Power outlets in various areas 120V, double
- Service batteries 180Ah, 12V maintenance free (3)
- Shore power deck connection 50A 120/240V with cable
- Shore power ground fault interrupter
- Switches panel
- Tanks level monitoring (fuel and fresh water)

SAFETY EQUIPMENT

- Inflatable life jacket (8)
- Life raft for 4 people (2)
- Life ring with rope
- Luminous floating buoy
- Portable fire extinguisher (2)

ONBOARD EQUIPMENT

- Boat hook
- Mooring ropes, 16 mm, 10 m (2)
