V-8 430 CE DP
Inboard
430HP
320.65KW
Fuel: Gas/Petrol
Hours: 202
Year: 2018
Location: Starboard

Summary/Description

With the A36 you'll come to understand the degree to which your Cobalt sets you apart from any semblance of the crowd. As, soon enough, the exuberance of your first family cruise becomes the remembered moments of a lifetime on the water.

Begin with Cobalt's legendary extended running surface and its consequent quicker planing, firm and true turns, and minimized bow rise. At high speeds feel the A36's exceptional stability, it's effortless corning on rails. Give your guests the softest of rides in the roughest of seas and then, on a quiet entry back to the harbor, watch the longing looks coming your way.

Special to the A Series is the hydraulic swim platform which lowers well below the water's surface. A perfect home base to water-borne activity, or functioning as a full-beam step for those eager kiddos jumping aboard. From the cockpit to cabin to bow lounges, the A36 interior bespeaks an envelopment of luxury. Buttery smooth vinyl, rich textures, stainless steel accents all marry together to create this one of a kind model.

Helm

- Compass, Digital
- Depth & Water/Air Temp Pkg.
- Digital Spyder Controls
