DESCRIPTION

Full of athletic splendor with a chic design appeal, the Atlantis 45 is optimized for peak performance, top comfort and effortless elegance.

Well-organized living spaces create a liberating dynamic on the main deck, while spacious interiors evoke an airy, lively mood. Versatile design adaptations cater to diverse lifestyle demands, as the contrasting synergy of materials, from matte to glossy details, inspires a neat sense of style.

OPEN AIR FREEDOM, ALL ON ONE LEVEL

The living area of the main deck is flush from stern to bow, facilitating the free movement of guests between the sundeck, salon and fully-kitted kitchen area.

BREAKING DOWN VISUAL BARRIERS

The unusual size of the single-piece curved windscreen improves visibility, interior perception of space and exterior aesthetics. The side window pillars are minimized to extend the effect.

A SOFT SPOT FOR THE JOY OF NAVIGATION

A chaise lounge flanks the helm station, keeping the pilot's company and sharing the wind screened navigation theater.

BELOW DECK BEL AIR

Aspiring to create an airy and roomy environment below deck, the layout develops around a central square, constituted by the alignment of the galley with the lounge dinette to unify and expand the space.

SIMPLE SENSORY SYNERGY

The interior design project researched a synergistic selection of materials, ranging from matte gray oak to the glossy lacquered paneling. The architecture sets the stage for a lively gathering of convivial furniture.

THE ART OF HOSPITALITY

A generous beam accommodates the versatile second cabin. The large full-height side cabinet at the entrance can also be configured as a third bed, and the two twin beds can slide together to form a queen-sized bed.

OPTIONAL EQUIPMENT

- A/V Package (with SAT TV antenna KVH TracVision + decoders)
- Additional bed in aft guest cabin
- Advance Package
- Barbecue in cockpit
