### Engine 1

Cummins  
QSB 5.9  
Inboard  
380HP  
283.37KW  
Fuel: Diesel

### Engine 2

Cummins  
QSB 5.9  
Inboard  
380HP  
283.37KW  
Fuel: Diesel

## Summary/Description

One of Meridian's most sought-after models, the midrange 411 Sedan perfectly blends crisp styling with comfortable accommodations, making it a favorite among boating families. The two-stateroom, galley-up interior is not only practical but also well organized, creating a welcoming atmosphere.

**"Free 2 B" has completed winter maintenance and ready for a new owner to enjoy the adventure of the Great Loop this upcoming spring and summer season**

**Owner is very keen to sell, and viewings can be organized during the Trawler Fest 2024.**

One of Meridian's most sought-after models, the midrange 411 Sedan perfectly blends crisp styling with comfortable accommodations, making it a favorite among boating families. The two-stateroom, galley-up interior is not only practical but also well organized, creating a welcoming atmosphere.

Step into the salon, where the galley and dinette are strategically placed forward, offering a seamless flow. The aft salon features facing settees and a built-in entertainment center. The dinette easily converts into a double berth, and a hatch in the salon floor provides additional access to the engine room.

The 411's master stateroom is a retreat with its island queen bed and ensuite head, complete with a stall shower. The compact guest stateroom features a double berth tucked under the dinette and has access to the second head.

Venture outside, and the Meridian impresses with its extended swim platform leading from a spacious cockpit, ideal for fishing, diving, and family fun. Molded stairs to port guide you up to the expansive flybridge, featuring a sun lounge, full wet bar, settee, and aft sun pad. Easy access to the foredeck is provided by the wide side decks.

Equipped with the optional twin Cummins 380hp QSB 5.9 Induction diesel engines, "Free To B" will deliver a cruising speed in the low 20 knots.

## Accommodations

### SPECIFICATIONS
