The RX 1 accommodates six (6) owners and guests in two staterooms and a convertible sofa sleeper in the salon. The guest stateroom (VIP) is located forward offering a centerline queen berth, TV, stereo, hanging lockers, ample storage and access to an en-suite head with stall shower

Vessel Description

Vessel Walkthrough

The **RX 1** accommodates six (6) owners and guests in two staterooms and a convertible sofa sleeper in the salon. The guest stateroom (VIP) is located forward offering a centerline queen berth, TV, stereo, hanging lockers, ample storage and access to an en-suite head with stall shower.

Moving aft, one enters the salon with an L-shaped settee to starboard (new seat cushion covers), cocktail/dining table, stereo, TV, port lights with new mini blinds and wood flooring throughout.

The open Galley is across to port and features a full array of appliances and stainless steel countertops. A third guest head with stall shower is located just aft of the galley to port.

The master stateroom is aft of the salon and is full beam amidships; there is an athwart ship king berth (new custom mattress and cover), settee, walk-in locker, ample drawer storage, TV, super stereo, new hardwood floors, port lights with shoji screens and a large en-suite head with large stall shower.

The upper deck/cockpit area features the helm with a complete selection of electronics and yacht instrumentation, as well as forward facing electric helm and companion seats. This area is air conditioned and perfectly suited for entertaining, as the majority of the space is under the cover of a very sleek hardtop with an opening sun roof. There are two additional large L-shaped settees with table, TV and stereo system. To port is a walk up wet bar offering a new refrigerator, new ice maker, electric grill and sink.

Aft and out from under the hardtop is a larger sun pad with access to the transom swim platform and toy garage. The engine room access and private entrance to the crew quarters are cleanly tucked under the aft settee.

MAN 12V 1360 CR Areneson drive engines

1900 hours, refurbished by dealer at 1,600 hours with new turbos

40k cruise burning 55 mpg idle to 20 mph in 4-5 seconds and to 45mph in the following 5 seconds

- ZF electronic engine controls

Hurricane Damage

Vessel sustained hurricane damage (Ian - September 2022) while moored behind owner's home in Cape Coral, FL. Damage consisted of hull scrapes and sun roof made inoperable with surrounding fiberglass damage. As of the time of listing, sunroof and paint repairs are scheduled but not yet complete. The KVH systems for TV, WI-FI and SAT telephone were damaged but replaced.
