Summary/Description

LAURA VII offers accommodations for 8 guests in 4 cabins and 4 heads. The Master is amidships with private head and shower, the VIP is forward with private head and shower, and there are two double berth cabins, that each have a head and shower. Notable features of the 65 Hatteras include: A main

LAURA VII offers accommodations for 8 guests in 4 cabins and 4 heads. The Master is amidships with private head and shower, the VIP is forward with private head and shower, and there are two double berth cabins, that each have a head and shower. Notable features of the 65 Hatteras include: A main deck galley fitted with all appliances necessary for preparing meals, a large U-shaped dinette, a very spacious salon with comfortable seating for many guests, a well-thought-out cockpit with plenty of space and equipment for fishing and enjoying the water, a full-stand-up engine room that is accessed from the cockpit, and a fully air-conditioned enclosed flybridge. Many more features may be found in the listing below.

Description

Salesman's comments:

Laura VII is an excellent example of a 65' Hatteras Convertible that has been maintained to a high standard and continuously upgraded to be in "like new" condition. The yacht offers the preferred 4-stateroom layout, Caterpillar 3412 E engines, and an open galley arrangement. Outfitted with everything needed to cruise and fish, Laura VII should be considered.

With new teak floors, new LED lighting, updated electronics, and new external upholstery the yacht is ready for a new owner. The boat was used only in summer months from May to mid-September and then always stored indoors. The owner is selling it due to the purchase of another yacht.

Outfitted with everything needed to cruise and fish, Laura VII should be considered. Don't miss this opportunity! Yachts in this condition are hard to find!

Walk Through or Layout:

The yacht may be boarded from either side of the cockpit or from the large swim platform via a two-way transom gate. From the cockpit, generous walkways with handrails lead to the bow and a ladder port side leads to the flybridge. The engine room is accessed through a hatch/door on the forward bulkhead.

The entrance to the interior is up three steps and opens to the oak-paneled main salon which provides excellent seating and an entertainment center. Full forward is the large, fully appointed galley and dinette. A curved staircase leads below to the 4 stateroom accommodations: the Master, the VIP, and two guest rooms.

Main Salon:

- Large L-shaped beige fabric sofa on the port side with matching occasional chair and foot stool.
- Teak and holly floors
