Summary/Description

The flagship of the Cutwater fleet of fast, efficient family cruisers brings onboard livability, luxury and convenience to a whole new level...and adds more than a few unexpected innovations. With its generous 10-foot beam, the hull provides plenty of volume for stretch-out comfort on deck and below.

The flagship of the Cutwater fleet of fast, efficient family cruisers brings onboard livability, luxury and convenience to a whole new level...and adds more than a few unexpected innovations. With its generous 10-foot beam, the hull provides plenty of volume for stretch-out comfort on deck and below, and our trademark Stepped Keel hull design places the engine lower than conventional hull forms allow, to ensure exceptional stability, as well as extra headroom in all living spaces.

Salon

- The helm station in the salon is forward to starboard with (2) overhead opening hatches and sliding side windows with screens
- The dinette in the salon is aft of helm and converts to setting for four or to sleeping for two
- (2) Sliding windows
- (2) Overhead hatches in salon
- TV

Galley

- The galley is in the salon to port
- Dometic MyFridge wine chiller under helm seat
- Franklin Chef .7 Cu.Ft. built in microwave
- Kenyon 2-burner ceramic stovetop
- Single stainless steel sink
- Nova Kool undercounter refrigerator with freezer
- (6) Storage areas

Master Stateroom - Forward

- Offset hinged double berth with storage below
- Custom mattress and topper
- Custom berth cover and pillows
- (5) Opening ports with screens
- (2) Overhead hatches with screens
- (2) Speakers
- (2) Reading lights
- (3) Overhead lights
- Indirect lighting under berth
- Fold down nightstand shelf
- Hanging locker with shelves
- (2) Storage cabinets
- Teak and holly sole
- Marine Air with air conditioning and reverse cycle heat
- Majestic flatscreen TV mounted on bulkhead

Ensuite Head:

- Tecma electric toilet and macerator
- (2) Opening ports with screens
- Overhead skylight
- Sink with hot and cold water
- Stall shower with Plexiglass sliding door
- Vanity Mirror
- (2) Storage cabinets

Guest Stateroom

- The guest stateroom is under the dinette with (2) opening ports with screens
- Marine Air with air conditioning and reverse cycle heating
- Fireboy-Xintex Marine carbon monoxide alarm

Navigation and Electronics

- (2) Garmin 7212 units, radar, chart plotter, depth sounder
- Fusion MS-IP 7001 stereo with Sirius XM
- Fusion Marine Zone Amplifier
- Volvo Penta onboard computer display
- Garmin GHC 20 autopilot
- Garmin VHF 200
- Sidepower bow and stern thrusters with radio remote
- Trim tabs
- Compass
- Varnished wood wheel
- 360-degree visibility from salon and helm
- Adjustable helm seat with footrests

Engine and Mechanical Equipment

- Volvo Penta D6, 370hp diesel engine
- 342 engine hours as of 6/29/2020
- Racor Fuel Filters
- Aqualift exhaust muffler
- Marine Air reverse cycle air conditioning/heating system

Electrical Equipment

- 12V System with Blue Seas Systems 360 Panel System breaker panel
- 110V System with Blue Seas Systems 360 Panel System breaker panel
- Cummins Onan 5kw diesel generator with 43.8 hours as of 6/29/2020
- Solar panel Sun Saver Duo dual battery charging solar controller
- Morningstar solar panel controller
- Water tank gauge
- Battery selector switch
- Morningstar remote battery monitor
- ProMariner True Power Combi 12V 2500-watt combination battery charger/inverter
- Shore power cord
- Seaward electric water heater

Deck, Hull and Cockpit

- The cockpit offers a large open space which is conducive to fishing, entertaining or relaxing
- Gorgeous midnight blue hull is a head turner anywhere you take her
- There is a helm to starboard in the cockpit with a stainless steel wheel and Volvo Penta computer electronic readout, engine and thruster controls

- Swim step also has a storage bin and swim ladder
- Transom door
- Windshield wipers
- Marinc spotlight
- Bennett trim tabs
- Ocean LED underwater lights
- Lewmar electric windlass
- 22# Claw anchor
- Hydraulic steering

Tender

- 9' 6" (2.89m) Ranger (2015), 6hp four-stroke Yamaha outboard engine (2015)

Remarks

The flagship of the Cutwater fleet of fast, efficient family cruisers brings onboard livability, luxury and convenience to a whole new level...and adds more than a few unexpected innovations. With its generous 10-foot beam, the hull provides plenty of volume for stretch-out comfort on deck and below, and our trademark Stepped Keel hull design places the engine lower than conventional hull forms allow, to ensure exceptional stability, as well as extra headroom in all living spaces.

The aft cockpit features an ingenious convertible seating arrangement, including side bench seats that fold outward from each hullside to accommodate four adults without taking up cockpit space; another double seat, built into the transom, may be adjusted to face forward or aft. Another great feature of the Cutwater 30 is an opening panel in the cabin bulkhead that allows the aft dinette seat to be reversed in order to accommodate two more guests in an enjoyable setting that's ideal for al fresco socializing. On the foredeck, two flush hatches open to reveal a pair of cushioned observation seats, each with a footwell that doubles as fender storage. For swimmers and beachcombers, the bow platform features a telescoping five-step ladder that extends to allow easy access to and from the beach or the water.

An expanse of opening windows brightens the roomy main-deck salon. Here, a four-place dinette converts to a double berth and features a beautifully finished custom maple pedestal table with integral beverage holders and grab rail. A European-style galley counter with under-counter fridge spans the full length of the salon's port side and opens for access to a double stainless-steel sink and electric cooktop, and to a contoured aft-facing lounge. Just opposite is the fully instrumented helm station featuring a handsome double-stitched ultraleather console and double-wide helm seat.

Beneath the raised dinette is a private guest cabin with gear storage, reading lamp, two hullside portlights and a 6' 8" double berth.

The forward stateroom offers an island double berth, large hanging locker and storage compartments, plus four hullside portlights and an opening skylight hatch in the 6' 8" overhead. The adjacent head compartment includes a vanity with sink, electric-flush toilet and separate shower enclosure with curved sliding door.

With its efficient Volvo diesel inboard, the Cutwater 30 cruises effortlessly and comfortably, delivering express service to even remote destinations; standard bow and stern thrusters ensure precise maneuvering and easy docking. For its performance, economy and comfort, no other cruiser can offer this kind of value.

Exclusions

Potential purchasers should assume that items on the vessel at the time of viewing, but not specifically listed on this sheet, are not included with the sale of the yacht. These specifications are believed to be true and correct but cannot be guaranteed.

Mechanical Disclaimer

Engine hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.

Disclaimer

The company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change or withdrawal without notice.
