Fuel: Other

Summary/Description

Used Sail Catamaran for sale

The Lagoon 560 gave Lagoon a strong lead in terms of comfort, ergonomics and style, combining the world-renowned talents of the architectural firm VPLP and the design consultants Nauta. The S2 version offers an additional choice of layouts which are unequalled for this size of catamaran: up to 5 fully independent cabins and the choice between a galley in the port hull or as a centre island. The Lagoon 560 S2, designed for hospitable cruising, offers a layout which is ideal for accommodating a skipper, who has his own private quarters on board.

Layout & Accommodations

Port hull 4 cabin version

Forward port cabin

- Access from the saloon via forward port steps
- Closing cabin via a sliding door.
- 1 Queen size bed – 2.05 x 1.60 m (6'9" x 5'3" ft) – with side access.
