Summary/Description

The Absolute 50 Flybridge is truly the 'Absolute Achievement' thanks to an excellent balance of size and functionality that nurtures the comfort of your guests.

The Absolute 50 Fly implements concepts and solutions typical of bigger luxury motor yachts. The IPS-600 systems provide best performances, low consumption, silent movement and absence of vibration. Yesterday, comfort was only a word: today it has found its tangible expression in a space designed for seven guests. Indoor space livability is easier thanks to the sliding doors, the rounded edges of the furniture's finishes, the king sizes of the beds and the ease of the floors, almost without steps and differences in height. The night area includes three cabins for a total of six guests. Moreover, the fourth aft cabin can host both an expert sailor and a guest.
