When Riviera's highly-skilled design team set out to create their newest addition to the SUV Collection their first and foremost

We have this exciting new model under construction now for delivery this season and able to avoid the normal year+ lead time. Please call now to discuss this opportunity.

When Riviera's highly-skilled design team set out to create their newest addition to the SUV Collection their first and foremost objective was to make the best of both world's even better. The result is the spectacular new Riviera 505 SUV. The same pedigree of a single level alfresco entertainer with thrilling blue-water ability but with the added dimension of the mezzanine: a beautiful wining, dining and relaxing space offering privacy and protection from harsh sun and weather all year round. Escape par excellence.

The SUV concept demands a generous cockpit, low to the water to maximise the action and adventure of the full spectrum of water sports. And that's what the cockpit of the 505 delivers. Picture yourself cruising the great waterways of the world, diving in the Bahamas, or fishing on the Reef. Anything and everything is possible on board your Riviera 505 SUV.

World famous, ocean tested, Riviera build quality and strength underpin spirited, enduring performance and retained resale value.

And no motor yacht could be more luxurious or better appointed.

From bow to boarding platform, you'll relish the Riviera attention to detail, handcrafted luxury and astonishing operational technology. This is cruising on an unprecedented scale of comfort and ease.

And the 505 SUV adds a new dimension to refined living below decks with a full beam master stateroom, private ensuite and walk-in robe as well as two guest staterooms with shared bathroom. And then, of course, there is the Volvo Penta Glass Cockpit navigation system and silkysmooth and economical performance of twin Volvo Penta IPS turbo diesels with fingertip easy joystick control.

Escape, explore, relax and unwind.

## Manufacturer Provided Description

Riviera's spectacular 505 SUV has two stand-out features to make the best of both worlds even better. The SUV Collection melds single level alfresco entertaining with highly capable blue-water ability: effectively two luxury motor yachts in one. But the 505 adds a new dimension to comfort and style with the addition of a mezzanine: a beautiful wining, dining and relaxing space offering privacy and protection from harsh sun and weather all year round. As well as the mezzanine, the 505 SUV pampers owners with a magnificent full beam master stateroom complete with private ensuite and walk-in robe. Family and friends also enjoy the VIP treatment with two private entry guest staterooms and a dual access ensuite. The 505 SUV's broad generous cockpit is low to the water to maximise the action and adventure of the full spectrum of water sports. Propulsion: twin Volvo Penta D11 IPS 950 turbo diesels delivering 725 hp (533 kW) each.
