## Engines/Generators

### Engine 1

Fuel: Gas/Petrol

## Summary/Description

A wide captain's chair puts you in control behind gleaming gauges and a rich, mahogany steering wheel. The luxurious diamond-pattern stitching is complemented by a thick stainless steel bar. And a thigh bolster brings added height and visibility.

Seating for 10 is easy with generous cushioned benches, relaxing rear-facing chaise loungers, multiple cupholders and multiple storage spots, including specifically designed storage for fenders, anchor and under-seat cooler. An onboard head with sink is tucked portside to make the Launch 27 a luxurious way to bring the entire family together.
