## Summary/Description

This model features a solid mahogany and stainless-steel accented helm and teak accents throughout. Boarding is easy on the Launch 31 GT with a walkthrough transom and side door access.

This model features a solid mahogany and stainless-steel accented helm and teak accents throughout. One of the most defining features of the GT line is the option to choose between sterndrive or outboard propulsion, making it truly customizable to the owner's needs. Boarding is easy on the Launch 31 GT with a walkthrough transom and side door access. Owners can choose to light up the boat with an integrated full spectrum lighting system that coordinates multiple zones of lighting both in the boat and below the water, all controlled via the Garmin Glass Cockpit Display.
