Summary/Description

The perfect fusion between comfort, functionality, and beauty shapes a model that is synonymous with pure innovation. The design is attractive and harmonic.

Below deck, there is plenty of space to experience your yacht to the fullest and comfortably accommodate eight guests.

The master cabin is full-beam and takes full advantage of the hull's beam (17 feet). It has a large double bed, spacious bedside tables, a two-seater sofa, and a roomy vanity area. The en-suite head is large and has a voluminous shower box.

The VIP cabin is positioned diagonally: an ideal solution that ensures large surfaces—furnished with elegance and equipped with high-level en-suite services.

Furthermore, the sleeping area has a twin cabin with separate berths that, through an electric control, can turn into a third double bed. The last cabin is aft and with similar living standards, perfect for an extra couple of guests or the crew.
