Summary/Description

Introducing Island Girl, the Everglades 395cc. Fore to aft, top to bottom, you will not find a cleaner example of a 395cc Everglades. With less than 200 hours and a meticulous owner this boat will be the next to sell.

NEVER FISHED, LIKE NEW!

The Everglades 395cc is the ground-breaking progression of technology, power, fishability and yacht-like luxuries in a modern center console boat. Do you want to fish hard, this is the boat for you. Do you want to cruise with the family in luxury and comfort, this is the boat for you. The 395cc is at its core a meticulously outfitted fishing machine with best-in-class fishing features and design. Beyond its tough fishing exterior lies a new level of luxurious comfort and aggressive styling, making the 395cc a powerful experience for the senses.

True to the Everglades heritage, yet boldly facing towards the future with first-to-industry technology, luxurious touches, and tournament-ready fishing ability, the 395cc has arrived. A new length in the Everglades model line, the 395cc provides the stability and versatility of the 435cc flagship and the nimbleness of its smaller counterpart, the recently released 365cc. At 39' long with a 12 wide beam, the 395cc is characterized by its unusual blend of sportiness, sophistication and a refusal to compromise. Sleek, new spacious design that accommodates anglers and cruisers alike. Rich accents and details including high-gloss teak wood, refined upholstery with exposed stitching, and well-equipped galley. SeaKeeper 3 eliminates up to 95% of boat roll and the fatigue that goes with it.
