Summary/Description

SEA BOLD is a custom-built C Raymond Hunt-designed fast expedition yacht, constructed by New England Boatworks and delivered in 2003, with a major refit in 2019/2020.

SEA BOLD is a custom-built C Raymond Hunt-designed fast expedition yacht, constructed by New England Boatworks and delivered in 2003, with a major refit in 2019/2020. Built with Kevlar and carbon fiber epoxy advanced composite construction, she boasts a lightweight yet super-strong construction that can perform at high speeds in challenging seas. Her Ray Hunt Deep V hull grants her a high-speed cruise of 22 knots and a top end of 25 knots, making for comfortable trips to the Bahamas. Her traditional New England profile, which includes a fully enclosed air-conditioned flybridge/pilothouse, draws admiration from many. SEA BOLD offers the perfect opportunity to own a truly unique superyacht with a classic Ray Hunt design.

Key Features:

Ray Hunt Design

2 x CAT 3412E @ 1,440 Hp each

Stabilizers & Bow Thruster

Fully enclosed & Air-conditioned flybridge/pilothouse

Major refit in 2019/2020

Meticulously maintained

Never chartered - private use only

Easily seen in Fort Lauderdale, FL

Vessel Walkthrough:

Starting aft is a built-in transom stairway providing easy access to a six-foot swim platform. On the aft deck, a locker is conveniently designed for storage of compressor and deck gear. Forward of the aft deck seating area, an additional covered seating area with a dining table and waist doors to the port and starboard side decks, as well as a glass-paneled swinging door to the main salon. This area also features a BBQ grill and a full wet bar. The full walk-around side decks are painted with nonskid and feature a low bulwark with a varnished teak cap rail and stainless stanchions, topped by a varnished teak handrail for complete safety and comfort.

Upon entering the main salon, one will be immediately impressed by its vast space and stunning sightlines boasting uninterrupted views from the aft salon door to the forward windows of the owner's office. The area is complemented by large exterior glass windows, settees port and starboard. Forward of the sitting area lies a large central cabinet housing a 50" HD TV, dry bar, built-in refrigerator and wine cooler, and chinaware for the formal dining table. Also Forward is the dining area, complete with a custom table seating eight guests. Ahead of the dining area, a raised office/library is situated under the large multi-paneled glass windshield, offering light and visibility to the entire salon and dining area.

The office/library is equipped with a desk, chair, table, and a large buffet. To starboard, an open teak staircase provides access to the pilothouse above.

The lower accommodations area houses four staterooms: two with walkaround queen-sized beds and two with double twins. The two queens have an opening/closing wall between them, which can be converted into a full-width Owner's stateroom if desired. There are three ensuite heads. All guest staterooms are equipped with generous satin-finished teak armoire-styled closets and carpeted decks.

Forward is the crew area and a fully equipped galley, which can be accessed by a companionway that can also be completely closed off from the dining area. The crew staterooms feature two mirror-imaged oversized upper and lower berths, as well as their own head and showers. The galley and crew dinette are spacious and comfortable, equipped with a TV and a washer/dryer for convenience.

The fully air-conditioned pilothouse, accessed by stairs from the salon, provides a full suite of navigation and electronics equipment. The helm console is thoughtfully arranged with three comfortable Stidd captains chairs, a spacious and functional chart table, and a communication center/office. For the captain's convenience, a day head is located to starboard, eliminating the need to leave the pilothouse while underway. Also, included in the pilothouse is a 43" TV and a captain's office. Aft of the wheelhouse, there is an outdoor seating banquette with bench seating, a covered hardtop for shade and a 55" HD TV. To starboard is a sink/wet bar, refrigerator and freezer, along with storage boxes and storage space for the Novurania tender. The tender and its chocks can be removed for a clear open deck area providing space for lounge chairs. A stainless steel and teak ladder provides easy exterior access to the aft deck.

Vessel Overview:

Refit and Upgrades:

2023

- New A/C raw water pump
- New A/C circulation pump
- New A/C air handler controllers
- New 65kw electrical generator end
- New Bridge Freezer

- 55" HD TV
- Captain's office
- Sink/wet bar
- Storage boxes and storage space for Tender
- Ladder providing easy exterior access to the aft deck

Main Machinery:

- 2 x CAT 3412E @ 1,440 Hp each
- Stbd Engine: In frame rebuild to 0 hours in 2020

- Port Engine: Top end rebuild to 0 hours in 2020
- Gearboxes ZF 1950 V Drive/ Ratio 2.448:1
- Port gearbox (rebuilt June 2019)
- Starboard gearbox (re-built January 2020)
- 2 x 5 Blade Nibral Faster propellers
- 3 x MarineAir MCGX 60 Chillers (15 tons)
- Watermakers 1 x Sea Xchange 2200 GPD
- Stabilizers Quantum ARC 3010 Ride Control
- Bow Thruster Quantum 65 Hp
- Steering System Wagner NB2 1260-35-EA2
- 2 x Racor 79/1000 MAV on main engines
- 2 x Racor 75/500 on generators
- Miscellaneous Delta-T ventilation
- Large well-designed engine room with incredible systems

Speed:

- Max Speed: 25 kts/ 145 Gal/h/ 580 nm@2300
- Fast Cruise: 22 kts/ 120 Gal/h/ 650 nm@2200
- Cruise: 18 kts/ 88 Gal/h/ 880 nm@1800
- Slow Cruise: 14 kts/ 60 Gal/h/ 816 nm@1400
- Econ Cruise: 10 kts/ 15 Gal/h/ 2300 nm@1000

Generators and Electrical Equipment:

- Output 240 Volts
- Generators 1 x 65 kW Alaska Diesel Northern Lights @ 1,800 rpm
- 65kW Generator
- 32 kW Alaska Diesel Northern Lights @ 1,800 rpm
- 32kW Generator
- Shore Power 110/240 Volts/ 1 Phase/ 60 Hz

- Batteries Main Engine Starting: 4 x AGM 8D 12V
- General Service: 8 x AGM 8D 12V
- Emergency: 2 x AGM 12V

Communication and Electrical Equipment:

- SATcom KVH V3 VSAT
- Telephone System Cell and SAT
- VHF 2 x Sailor G216 VHF
- 4 x ICOM IC-M88 (Handheld)

Navigation Systems:

- Radar 1 x Furuno x Band ARP26 ARPA; range 96 nm
- 1 x Furuno x Band TZX 14" DR5; range 72 nm
- SAT Compass 1 x Furuno SC60
- Magnetic Compass 1 x Ritchie 4"
- Autopilot 1 x Simrad AP 35
- Depth Sounder 1 x Furuno DFF1
- 1 x Furuno RD33
- GPS 1 x Furuno GP 33
- 1 x Furuno GP 320B
- Ships Computer CPU Custom
- Plotter Software Nobeltec
- Wind Indicator Airmar Digital

Entertainment Equipment:

- 5 x HDTVs
- 2 x DVDs (Salon and Galley)
- 4 x Sonos amps (Dining, Salon, Aft Deck and Bridge)
- KVH HD7 TV Antenna

- Network 3 x Peplink AP One Enterprise WAP
