Fuel: Diesel

## Summary/Description

35' Eastern Boat 35JC Lobster Boat 1999

The Red Neck features a spacious V-berth forward with shelf and locker storage, a head with shower to starboard and galley to port. Teak trim with Formica over wood cabinetry and carpeted hull liner. Aft and up four steps is the aft deck area with hardtop and hard side enclosure with opening front windshields. Lower helm station to starboard with single pedestal mounted helm seat and tackle center and a bench companion seat to port and longer bench riding seat along the port bulkhead. Engine access below this deck area and the large cockpit aft and down one step.

The Redneck offers the sea-kindliness of the proven JC hull and the low maintenance characteristics of its commercial back ground. Good engine, good generator, good layout and a history of light use makes her the perfect choice for someone looking for the classic lobster boat!

## Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
