Remarks

“La Piragua” has benefitted with excellent maintenance by two owners. The current owner fabricated the **custom hardtop** to fine quality. The gelcoat gleams and the **overall condition is very fine**. Professionally maintained by a full time captain.

She runs and performs extremely well. Her owner comments on the fact that this nice boat has been virtually trouble free.

She is located in Quepos, Costa Rica at Marina Pez Vela (upscale) and close to Golfito for transport. **Quepos is a 'dream' cruising area** (close to Los Suenos and popular with many Americanos) and has many fascinating and beautiful areas nearby to explore as well as being easily accessible from San Jose. Once you experience this amazing area, you may never want to leave!

"La Piragua" is a rare and highly desirable yacht in this class waiting for the next lucky owner! She is a **BIG 46'** - where else do you find a 3 stateroom, 2 head with crew, direct drive engines and a hardtop in fine condition for this price? She is used regularly (never chartered) and will impress even the fussiest of buyers!
