Summary/Description

Schaefer Yachts is one of the largest and most prestigious boat builders in Brazil and they have great company.

Some of the finest European Yacht manufacturers build their boats in Brazil which has a rich heritage in the boat building industry. The Schaefer 303 is the most popular offering and has space for 10 people during the day and 4 overnight in cabin bunks, more if you want to sleep under the stars on comfortable cockpit lounges. It is perfect for small or large rides, determined by the size of adventure that you choose to live. It easily tows tubes, wake or water skis and will get you to the local fishing or diving spot faster than the competition.
